Schools

Rockbank Primary School

Prep – Year 6
5.3km from Grandview
(local school zone)

Rockbank Primary School offers co-educational schooling from Prep to Year 6. The school has a rich history dating back to 1868 and strives to provide a learning environment that supports the educational, social and emotional development of every student.

Rockbank Primary School was successfully accredited as a Performance & Development Culture school in 2007. This accreditation acknowledges the school's efforts to support and improve every student's learning opportunities through developing teaching skills and practices.

Southern Cross Grammar

Prep – Year 12
10.3km from Grandview
(above average in National Assessment Program)

Southern Cross Grammar is a co-educational, non-denominational school from Prep to Year 12. Southern Cross Grammar curriculum aims to offer a teaching and learning program that is designed to recognise individual talent and allows students to achieve their personal best.

To cater for the varied needs of their community, Southern Cross Grammar in conjunction with Camp Australia provides a quality Out of School Hours Care (OSHC) program that includes Before School Care and After School Care onsite, as well as an offsite Holiday Program. Southern Cross Grammar is a forward-thinking, innovative school seeking to provide exceptional academic, sporting and cultural opportunities.

Westbourne Grammar School

Prep – Year 12
16.1km from Grandview
(above average in National Assessment Program)

Westbourne Grammar School is one of the leading co-educational private schools in Melbourne and is an excellent choice for parents in search of a school that offers a dynamic curriculum whilst also instilling core values such as honesty, integrity, respect and self-responsibility. The school offers landscaped gardens, lakes and an abundance of sporting facilities.

Their academic program aims to instil a lifelong commitment to growth through learning with a highly successful teaching model. The students become more independent, articulate, confident and reflective learners, as they are encouraged to work collaboratively and to make their learning visible.

Westbourne's Curriculum offers students impressive sporting, outdoor education, music, visual and performing arts programs plus an extensive Extra Curricular Program for Senior School students.

Brookside College

Prep – Year 9
7.3km from Grandview

Brookside College strives to offer high-class educational practices that guide students through integrated phases of learning. The fundamental aim of the school is to foster and balance the intellectual, physical, cultural and social development of its students within a 21st century skills framework.

The college's philosophy is firmly based on the belief that every student has the ability to learn. Teaching and learning programs at Brookside College are planned around professional learning teams at each level of the curriculum. Programs are run for students needing extra learning support, whilst our high-achievers program delivers extension to those who have special skills in particular areas.

The college values are support, teamwork, achievement and respect and the college endeavours to incorporate these into their daily work for all community members.

Catholic Regional College Caroline Springs Campus

Year 7 – Year 10
8.5km from Grandview

Catholic Regional College Caroline Springs is part of the Federation of Catholic Regional Colleges. The college offers a diverse curriculum which reflects the values embedded in their motto "Live fully – Act Justly" and is designed to engage and challenge students as they develop academically, spiritually, physically and socially.

The student-centred approach to learning ensures that all students are given every opportunity to reach their potential, make the most of what life has to offer, to strive to be their very best and, in doing all that, remember to be just to themselves and to others.

The college's framework allows them to develop not only traditional discipline-based knowledge and skills but also to teach skills in areas of technology, communication, thinking, information communication and social relationships, while continuing to develop students literacy and numeracy skills throughout the curriculum.
