The Observatory

Directory

The Observatory is a natural sanctuary, where you'll feel a world away, and yet are surprisingly close to everything you need.

For a refreshing swim, only 10 minutes away, you can visit Burleigh Beach. With six of the Gold Coasts best golf courses within close reach you may choose to have a round of golf at a moment's notice.

A 5-minute trip north will find you in the heart of Robina's extensive shopping and facilities. In addition, some of Queensland's finest private and public schools, along with the reputable Bond University are also close by.

The Observatory also provides convenient access to the Pacific Motorway and Varsity Railway Station for an easy trip to Brisbane. Should you need to get to the airport you'll find it just 20 minutes away.
