Walking Group Volunteer

Spring is in the air and there is every reason to get outside and enjoy the weather we are so blessed with in Queensland.

We are looking for a volunteer Walk Organiser to lead a walking group in Freshwater. As the walk organiser you will be trained and supported as a Heart Foundation Walking Volunteer.

This is a fun initiative and a great way to encourage activity in your community and a big step towards better heart health. Call into the Sales and Information Centre to register your interest or contact Stockland on (07) 3305 8600.

Freshwater Park is getting a face lift!

As a member of the Freshwater community, we would like to hear your thoughts.

Is there something you'd love to see in the park? Play equipment, shade structure, BBQ? Please fill in the survey over the page and return to the Freshwater Sales and Information Centre, or you can go to the Freshwater and Griffin Facebook page and complete the poll.
