

What are your children learning when they go to school?

At TKIS, even while they're traveling to and from school ... they're learning how to be the best that they can be.

THE KOORALBYN INTERNATIONAL SCHOOL

"Anything is possible, when you're the best that you can be."

From parents: "Brilliant...it's the knowledge that they're safe and supervised right to our door."
"It's like an extra 2 hours of 'class-time' every day ... And he's showing the results."

From students: "It's awesome... By the time I get home, my homework is done...and checked!"
"My sister and I used to have problems traveling to school... Not anymore... We love it."

About TKIS : The only school in the country to have produced TWO Young Australians of The Year, The Kooralbyn International School is a small private, independent, coeducational P-12 day and boarding school located in the Gold Coast hinterlands. With one of the best Year 12 OP academic performances in the state last year, small class sizes, no bullying or drug problems, FREE door-to-door pick up (for selected areas) and a range of highly successful Mastery Programs in Golf (Adam Scott, Jason Day, Steve Bowditch), Equestrian, Track & Field (Cathy Freeman), Aviation and a remarkable Gifted & Talented program - it might be JUST what your child is looking for.

For more information, please contact the school on 5544 5500 during Office Hours.

Message from the Principal

Geoff Mills [MFA; BA; Grad.Dip.Bus.Admin; Dip.Teach.]

"Believe in yourself ... Because anything is possible, when you're the best that you can be."

The Kooralbyn International School (TKIS), located on its spacious 20 hectare campus in the Gold Coast hinterlands is the only school in Australia to have produced TWO Young Australians of the Year. Last year the school's Year 12 OP results were in the top 3% of the state. TKIS offers a range of exciting Mastery Programs including Golf, Aviation, Athletics and Track & Field that over the years have consistently produced some of Australia's finest young athletes including Adam Scott, Jason Day, Steve Bowditch, Andrew Buckle (golf) and Cathy Freeman (athletics). Its Gifted and Talented program has helped produce some amazing success stories over the years including Evan Paki (Fullbright Scholarship Winner) and last year the school graduated Year 12 students aged 13, 15 and 16 who are now successfully studying full time at local universities.

TKIS is a coeducational day and boarding school that offers a Prep to Year 12 Queensland curriculum. With less than 300 students, about 85% of whom are local Australian kids, the school is located 80km from the Gold Coast CBD but offers a unique on-board teacher-supervised homework program for day students who travel to and from the school each day via the school's own private luxury coach services.

An independent, proud and relatively small private school, TKIS owes much of its success to the three fundamentals of its teaching philosophy ...

- a focus on individualised education, addressing the personal needs and ambitions of every student ... empowering each child with strengths of self-motivation, self-belief, high expectations and hard work while totally supporting and assisting each student to discover their own pathways
- an absolute commitment to providing a friendly atmosphere of safety, support, stability, respect and 'fun'
- and a belief that 'anything is possible - when you become the best that you can be'.

Due to recent local interest, TKIS is proud to announce the launch of its FREE daily door-to-door shuttle service to the Pacific Pines area commencing January 2009. Vacancies are still available for Grades 4 to 12 but places are filling fast.

If you're looking for a safe, drug-free, bully-free, independent school with small class-sizes, an excellent primary school and secondary school academic record, high dress and behaviour standards and a range of exceptional Mastery Programs ... then please consider TKIS. We can pick-up and drop-off from your door and mid-week boarding places are also available.

TKIS Fee Schedule: 2009 (Australian Students only - please contact the school for International Student Rates.)
