

PLAYTIME FOR THE WHOLE FAMILY, A HOP, SKIP AND JUMP FROM YOUR HOME.

With everything just a stone's throw away at Riverstone Crossing, there is so much for you to enjoy and it's all right at your fingertips. Keeping fit and healthy or participating in clubs and community groups is easy at the multi-million dollar Riverhouse Lifestyle Centre. If it's the outdoors you enjoy, the beautifully maintained parklands, sporting fields and walking trails allow plenty of room to kick a footy, throw the frisbee with the dog or take the family on a bushwalk.

Not only are all such facilities and amenities kept to impeccable standards and to the community's liking by the Community Liaison Team, but the entire community is also kept safe and secure by full time security patrols.

It's all part of the Community Scheme, which has been created to help build a better and closer-knit community while protecting your investment at the same time.

Community Scheme

Riverstone
CROSSING
