STOCKLAND HERVEY BAY TO WELCOME SUITE OF NEW STORES

Stockland Hervey Bay is pleased to welcome three exciting new retailers to the centre – You + All, Priceline and Goldmark Jewellers.

You + All is a 'curvy' brand that offers customers on-trend fashion for all shapes and sizes, and is one of only a select few newly opened in Australia.

Australia's health and beauty retailer Priceline, will also open at the centre in November.

Leading Australian jewellery brand Goldmark Jewellers, is set to open in early October. Recognised for its contemporary and fashion-forward approach to jewellery, customers will have a chance to explore a diverse range of authentic pieces sourced from around the world.

Paul Davis, Centre Manager Hervey Bay, said: "We know our customers appreciate variety and convenience and we are pleased to welcome a suite of great new retailers to Stockland Hervey Bay for our customers to enjoy.

"We understand that the purpose and expectations of town centres are changing, and we are looking forward to offering our customers even more experiences and services.

"What's more – we want to see our retailers continue to grow and expand like some of them have been, while improving our mix of retail options to our community.

Majestic 1 Car Wash located in the Target car park opposite Spotlight and Petbarn will open soon and provide customers with the convenience of having their car washed or detailed while they shop.

Freechoice Tobacconist will reopen in October following a relocation and Serenity Skin Spa will expand into the Freechoice Tobacconist space in November. Nail Passion Queensland will also be expanding into part of the former EB Games space.

The town centre has recently opened an Australia Post at the southern entrance which is complete with a modern fit-out, full range of services and parking bays for customers, as well as Good Place Espresso; a plant-based café serving coffee roasted by local supplier The Minimalist. It is also the first of its kind in the area to operate out of a shipping container.
