Project Reference: 11 – 17 Khartoum Road, Macquarie Park 2113, Sydney, NSW.

Dear Neighbour,

This is a courtesy letter to inform you that Taylor Construction Group will be setting up a mobile crane on the westbound lane of Khartoum Road on Saturday 21st of May. Traffic will be able to travel in both directions throughout the day and no route diversions will be required.

The mobile crane is required to remove the final excavators from the site and works are scheduled to commence at 8am and will be complete by 3pm, in accordance with the DA conditions. Taylor Construction have notified Ryde Council all relevant documents are in place.

Throughout the day traffic will be managed by trained and competent traffic controllers and temporary traffic signage will be in place prior to any works commencing. The traffic controllers will remain in place to help manage the safety of pedestrians and vehicles on Khartoum Road.

If you have any further queries or concerns, please feel free to contact the undersigned.

Kind regards,

Ian Short
