

Visual Story: My visit to see Santa

I am going to meet with Santa at Stockland Shopping Centre.

When I arrive, I will find the special place where Santa sits.

Santa will say hello to me. I can greet Santa by waving or saying hello.
Because of COVID-19 I cannot hug Santa or give him a Hi-five.

Santa may ask me questions.
I can answer them or shake my head to tell Santa I don't want
to answer questions.

I then sit on a stool or I can stand with my family.
I will look at the camera and smile. Smiling makes my photo look nice.
The photographer will take a photo. There might be a bright flash of light.

When the photographer has finished taking my photos, Santa will give me a present. I can wave goodbye to Santa. Then I will leave with my family.
