Constitution of Stockland Trust

1 Name of Trust

- 1.1 The Trust is called the Stockland Trust or such other name as the Manager determines from time to time.¹
- 1.2 If a Manager retires or is removed its successor as Manager must, unless otherwise approved by the former Manager, change the name of the Trust to a name that does not imply an association with the former Manager or its business.

2 Assets held on trust²

- 2.1 The Trust Fund shall be vested in and held by the Trustee upon trust for the Unitholders subject to the terms and conditions of this Deed.
- 2.2 The Assets vest in the Manager, but must be clearly identified as property of the Trust and held separately from the assets of the Manager and any other managed investment scheme if and to the extent that the Corporations Act so requires.³ Subject to law, the Manager may have Assets held by a custodian.⁴

2A Corporations Act Relief

- 2A.1 Subject to **clause 2A.3**, if relief from the provisions of the Corporations Act is given by a Relief, the provisions of this Deed operate subject to the Relief.
- 2A.2 Subject to **clause 2A.3**, if relief from the provisions of the Corporations Act is given by a Relief on condition that this Deed includes specified provisions, then, for so long as the condition applies, the provisions:
- (a) are taken to be included in this Deed; and
 - (b) prevail over the other provisions of this Deed to the extent of any inconsistency.
- 2A.3 If the relief is granted by class order (rather than specifically in relation to the Trust), the Relief applies, and the specified provisions referred to in **clause 2A.2** are taken to be included in this Deed, unless the Manager states in writing that that is not the case.

¹ See Corporations Regulation 5C.1.02.

² Clause 2A inserted by clause 1.1 of Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.

³ See section 601FC(1)(i).

⁴ See clause 11.4.

3 Units and Options

Nature of Units

- 3.1 The beneficial interest in the Trust is divided into Units.
- 3.2 Subject to any rights, obligations or restrictions attaching to any particular Unit or class, each Fully Paid Unit confers an equal undivided interest and, unless this constitution states otherwise, a Partly Paid Unit confers an interest of the same nature which is proportionate to the amount paid up on the Unit.
- 3.3 Subject to the rights, obligations or restrictions attaching to any particular Unit or class, a Unit confers an interest in the Assets as a whole, subject to the Liabilities. It does not confer an interest in a particular Asset.

Classes

- 3.4 Subject to the Corporations Act the Manager may create and issue classes with such rights, obligations and restrictions attaching to the Units of such classes as it determines. The rights of a Member under this constitution are subject to the rights, obligations and restrictions attaching to any particular Unit of a class which they hold.

Options

- 3.5 The Manager may create and issue Options on such terms and conditions as the Manager determines.
- 3.6 Subject to this constitution, the Corporations Act (and the conditions of any applicable relief from it) and, if relevant, the Listing Rules, the Manager may determine that Options will be issued:
- (a) for consideration or no consideration;
 - (b) in the case of an offer which complies with the Listing Rules and any applicable ASIC relief and is consistent with the principles set out in **clause 4.4**, on the basis that the exercise price for a Unit to be issued on exercise of the Option is the price determined by the Manager, and otherwise as determined under **clauses 4.1(ea)** and **(f)**, as applicable; and
 - (c) conferring on the Option Holder such other entitlement under this constitution as the Manager determines,

and otherwise on terms and conditions and with such entitlements as determined by the Manager.

Subject to the Listing Rules and the conditions of any applicable ASIC relief, if the Manager is making an offer of Options to Members which is otherwise in proportion to their existing holdings of Units, the Manager is not required to offer Options under this clause to persons whose address on the Register is in a place other than Australia.

- 3.7 On exercise of an Option, the Option Holder is entitled to subscribe for and be allotted such number of Units as the terms and conditions of issue of the Option contemplate, provided that the Option Holder has given notice to the

Manager in accordance with the terms upon which the Option was granted together with payment in full of the exercise price.

3.8 Upon the termination of the Trust, an Option Holder is entitled to repayment of the Application Price of any Option which has not been exercised, unless the terms of issue of the Option provide otherwise.

3.8A Subject to **clause 3.8**, an Option does not confer an Option Holder any interest in the Trust or any right to participate in any distribution of the income or capital of the Trust.⁵

Financial Instruments

3.8B Subject to the Corporations Act:

- (a) the Manager may, in addition to Units and Options, issue any other interests, rights or instruments relating to the Trust (including derivatives, debentures, convertible notes or other instruments of a debt, equity, quasi-debt, quasi-equity or hybrid nature) ("**Financial Instruments**"); and
- (b) Financial Instruments may be issued:
 - (i) for \$100 per Financial Instrument or such other amount as the Manager determines; and
 - (ii) on such other terms (including with preferred, deferred or other special rights, obligations or restrictions, with regard to distributions, voting, return of capital, payment of calls, redemption, conversion or otherwise, provided that while Stapling applies, the Financial Instrument must convert into one or more Stapled Securities not Units alone) as the Manager determines.

3.8C Subject to the terms of issue of the Financial Instrument:

- (a) a Financial Instrument will not confer any interest in, or any rights to participate in the income or capital of, the Trust;
- (b) each holder of a Financial Interest agrees not to:
 - (i) interfere with any rights or powers of the Manager under the Constitution;
 - (ii) purport to exercise a right in respect of an Asset of the Trust or claim any interest in an Asset of the Trust (for example, by lodging a caveat affecting an interest in the Asset of the Trust); or
 - (iii) require an Asset of the Trust to be transferred to them (or any other person); and

⁵ Clause 3.8A inserted by clause 1.2 of Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.

-
- (c) and subject to the Corporations Act, a holder of a Financial Instrument who is not a Member is not entitled to any other rights of a Member.

Rights attaching to Units, Options and Financial Instruments

- 3.9A Member holds a Unit subject to the rights, restrictions and obligations attaching to that Unit. An Option Holder holds an Option subject to the terms and conditions attaching to that Option. The holder of a Financial Instrument holds that Financial Instrument subject to the rights, restrictions and obligations attaching to that Financial Instrument.

Partly Paid Units

- 3.10 The Application Price of Units may be payable by instalments as set out in **clauses 3.11 to 3.12**.
- 3.11 The Manager may determine at any time that Units to be offered for sale in accordance with **clause 4** are to be offered on terms that the Application Price is payable by instalments of such amounts and at such times as the Manager determines or, if the Manager so determines, by a single instalment payable at such time as the Manager determines. All the terms and conditions of such an offer must be set out in the document offering the Units for sale.
- 3.12 Subject to any applicable statutory duty requiring the Manager to treat Members of the same class equally and those of different classes fairly, where Units are offered for sale on terms and conditions determined and set out in accordance with **clause 3.11**, those terms and conditions may be varied or compliance therewith waived only with the consent of the Manager.

Failure to pay instalments

- 3.13 If a Member fails to pay in full any instalment due on any Partly Paid Unit or Units on or by the day specified for payment, the Manager must serve a notice on that Member not later than 14 days after the due date requiring payment of so much of the instalment as is unpaid and any interest calculated from the due date until payment of the instalment at a fair market rate as determined by the Manager. The notice must specify a further time and day (not earlier than 7 days from the date of service of the notice) on or by which the payment as required by the notice is to be made. The notice must also state that in the event of non-payment on or by that specified time and day, the Partly Paid Units in respect of which the instalment or part instalment remains unpaid will be liable to be forfeited.
- 3.14 If the requirements of any notice issued under **clause 3.13** are not complied with any Partly Paid Unit in respect of which the notice has been given may, at any time after the date specified in the notice for payment of the amount required by the notice, be forfeited if the Manager so determines.

Sale of forfeited Units

- 3.15 Subject to the conditions of any applicable ASIC relief in relation to the sale of forfeited Units, a forfeited Unit may be sold or otherwise disposed of as a Fully Paid Unit on such terms and conditions as the Manager determines. At any time before a sale or disposition the forfeiture may be cancelled upon such terms as the Manager thinks fit.
- 3.16 At any time before a sale or disposition the forfeiture may be cancelled if the holder of the forfeited Unit pays the Manager the full amount of the instalment due together with any other amounts in respect of the forfeiture.
- 3.17 The holder of Partly Paid Units which have been forfeited ceases to be a Member in respect of the forfeited Units but remains liable to pay to the Manager all moneys which at the date of forfeiture were payable by the Member to the Manager in respect of the forfeited Units (including costs associated with the forfeiture and all proceedings instituted against the Member to recover the amount due) but the Member's liability ceases if and when the Manager receives payment in full of all such money and, if applicable, interest in respect of the forfeited Units.
- 3.18 A statement signed by a duly authorised officer of the Manager that a Partly Paid Unit has been duly forfeited on a date stated therein is conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the forfeited Units.
- 3.19 Where a Partly Paid Unit is forfeited under **clause 3.15** the Manager may receive the consideration, if any, given for a forfeited Unit on its sale or disposal, and the Manager may execute a transfer of such Unit in favour of the person to whom the Unit is sold or disposed of, and the Member authorises the Manager and appoints the Manager as its attorney to do so, and that person must then be registered as the holder of that Unit and is not obliged to ensure that any part of the money which he has paid for the Unit is paid to the former holder of the Unit nor shall his title to that Unit be affected by any irregularity or invalidity in the proceedings in relation to the forfeiture, sale or disposal of that Unit.⁶
- 3.20 Where forfeited Units are sold or disposed of for cash, the Manager must deduct from the amount of the consideration the amount of the instalment owing at the date of forfeiture together with interest (if any) payable thereon and a sum representing an amount which has been or will be incurred for commissions, stamp duties, transfer fees and other usual charges, if any, on the sale or disposal of the Unit and any costs associated with the forfeiture or any proceedings brought against the Member to recover the instalment or part thereof owing. The Manager may retain the amounts so deducted, but the balance remaining must be paid to the Member whose Units were forfeited.

⁶ The words ", and the Member authorises the Manager and appoints the Manager as its attorney to do so," inserted by clause 1.3 of Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.

-
- 3.21 Joint holders of Partly Paid Units are jointly and severally liable to pay all amounts due and payable on the Partly Paid Units held by them.
 - 3.22 While Stapling applies, the Manager may not issue Partly Paid Units unless at the same time the Member is also issued with Other Attached Securities which are Stapled to the Partly Paid Units and which are partly paid to the same extent as the Partly Paid Units, and issued on the same or similar terms as regards calls and forfeiture. Further, while Stapling applies, the Manager may not cause the disposal of Partly Paid Units forfeited under **clause 3.15** unless at the same time Other Attached Securities to which the Partly Paid Units are Stapled are disposed of at the same time and in a similar manner.

No Fractions of Units

- 3.23 Fractions of a Unit may not be issued.
- 3.24 Where any calculation performed under this constitution or the terms of a withdrawal offer would otherwise result in the issue or redemption of a fraction of one Unit, the number of Units to be issued or redeemed is to be rounded down or up respectively to the nearest whole Unit, provided that where such fraction is one-half of a Unit, the number of Units to be issued or redeemed is to be rounded up to the nearest whole Unit.
- 3.25 Any excess application or other money or property which results from rounding becomes an Asset of the Trust.

Consolidation and division of Units, Options and Financial Instruments

- 3.26 Units, Options and Financial Instruments may be consolidated or divided as determined by the Manager.⁷
- 3.27 While Stapling applies, Units and Options may only be consolidated or divided if the related Other Attached Securities and Options over Other Attached Securities are also consolidated or divided at the same time and to the same event.

Transfer of Units, Options and Financial Instruments

- 3.28 Subject to **clauses 3.29** and **3.33**, Members may transfer Units and, subject to their terms and conditions, Options and Financial Instruments.
- 3.29 While the Trust is Listed and the Listing Rules so require, a Member may not transfer Restricted Securities during the applicable escrow period.
- 3.30 Subject to the rules applicable while the Trust is admitted to an uncertificated trading system, transfers must be in a form approved by the Manager and be presented for Registration duly stamped.
- 3.31 A transfer is not effective until Registered.

⁷ Refer Listing Rules, Chapter 7 - reorganisations of capital.
11659894_1

3.32 The Manager:

- (a) subject to the Listing Rules⁸ while the Listing Rules apply, may refuse to record any transfer in the Register without giving any reason for the refusal; and
- (b) while the Trust is Listed, must refuse to record a transfer in the Register which would be in breach of **clause 3.29**.

3.33 While Stapling applies and subject to the Corporations Act and the Listing Rules if the Listing Rules apply⁹:

- (a) the Manager must not register any transfer of Units unless it is a single instrument of transfer of Stapled Securities and any provision of **clauses 3.28 to 3.32** of this constitution inclusive referring to a transfer of Units will be deemed to be a reference to such a transfer;
- (b) a reference in **clauses 3.28 to 3.32** inclusive to a "Unit" will be deemed to be a reference to a Stapled Security;
- (c) if the Manager receives a transfer of a Unit which is not accompanied by a transfer of the Attached Securities to which it is Stapled:
 - (i) the Manager is authorised as attorney for the transferor to effect a transfer of the Attached Securities to which the Unit is Stapled to the same transferee and must use reasonable endeavours to effect the transfer of the Attached Securities;
 - (ii) if the Manager does not so effect the transfer of the Attached Securities, the Manager must reject the transfer of the Unit; and
- (d) if the Manager receives a transfer of an Attached Security which is not accompanied by a transfer of the Unit to which it is Stapled, the Manager is authorised as attorney for the holder to effect a transfer to the same transferee of that Unit.

Joint tenancy

- 3.34 Persons Registered jointly as the holder of a Unit, Option or Financial Instrument hold as joint tenants and not as tenants in common unless the Manager otherwise agrees.

Death, legal disability

- 3.35 If a Member, Option Holder or Holder of Financial Instruments dies or becomes subject to a legal disability, such as bankruptcy or insanity, only the survivor (where the deceased was a joint holder) or the legal personal representative (in any other case) will be recognised as having any claim to Units, Options or

⁸ Listing Rule 8.10 restricts the Manager's ability to prevent proper SCH transfers, but allows for a holding lock in certain specified circumstances.

⁹ Paragraphs 3.33c) and d inserted by Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.

Financial Instruments Registered in the Member's or Option Holder's or Holder of Financial Instruments' name.

- 3.36 A person who becomes entitled to a Unit, an Option or a Financial Instrument because of the death, bankruptcy, insanity or other disability of a Member or Option Holder or Holder of Financial Instruments is entitled to receive and may give a discharge for all money payable in respect of the Unit, Option or Financial Instrument but is not entitled to receive notices of or to attend or vote at any meetings of Members, Option Holders or Holders of Financial Instruments until that person is Registered as the holder of the Unit, Option or Financial Instrument.

Number of Units and Options

- 3.37 While Stapling applies, the number of issued Units at any time must equal the number of each Other Attached Security on issue.
- 3.38 While Stapling applies, the number of issued Options at any time must equal the number of issued options over each Other Attached Security.

Register

- 3.39 The Manager must keep a Register of all Members, Option Holders and Holders of Financial Instruments as the Corporations Act requires. While Stapling applies, the Register will, where relevant, comprise a single register which records details of the members of the Trust and each Stapled Entity.

Stapling

- 3.40 While Stapling applies:
- (a) the Manager may not issue Units unless Members are contemporaneously offered identical numbers of each Other Attached Security which will be Stapled to the Units offered;
 - (b) the Manager may not issue Options unless Option Holders are contemporaneously offered options over identical numbers of each Other Attached Security which will be Stapled to the Units issued pursuant to the Options when they are exercised;
 - (c) any offer of Units or Options may only be accepted if the offeree accepts that offer of Units or Options, as well as the contemporaneous offer of Other Attached Securities referred to in paragraph a of this **clause 3.40**, or the options over them, as the case may be.

4 Application Price for Units¹⁰

4.1 Subject to the Stapling Provisions while they apply, Units must only be issued at an Application Price:

- (a) in the case of a proportionate offer (including a rights issue), determined in accordance with **clause 4.4**;

¹⁰ Required to be included by Section 601 GA(I)(a).
11659894_1

- (b) in the case of a placement (other than a placement referred to in paragraph c) or in the case of an issue of Units under an interest purchase plan each while the Trust is Listed, determined in accordance with **clause 4.5**;
- (c) in the case of reinvestment of income or any placement to an underwriter pursuant to an underwrite of a reinvestment of income, determined in accordance with **clause 4.6**;
- (d) in the case of a Unit issued upon the exercise of an Option, determined in accordance with **clause 3.6**; and
- (e) subject to paragraphs a, b, c and d, in any other case while the Trust is Listed and Stapling applies, at such proportion of the Application Price of a Stapled Security (being the Average Market Price of a Stapled Security) as the Manager determines in accordance with **clause 4.7** or **clause 4.7A**; and
- (ea) subject to paragraphs a, b, c and d, in any other case while the Trust is Listed and Stapling does not apply, at the Average Market Price of a Unit on the date immediately before the date on which the application price is to be calculated; and
- (f) while the Trust is not Listed, equal to:

$$\frac{\text{Net Asset Value} + \text{Transaction Costs}}{\text{number of Units in issue}}$$
- (g) in the case of a Unit issued pursuant to the Employee Security Plan, determined in accordance with **clause 4.9**; and ¹¹
- (h) in the case of a Unit issued pursuant to the Incentive Share Plan, determined in accordance with **clause 4.10**.

4.2 Each of the variables in **clause 4.1f)** must be determined as at the next Valuation Time after:

- (a) the Manager receives the application for Units; or
- (b) the Manager receives the application money, or the property against which Units are to be issued is vested in the Manager,

whichever happens later.

4.3 The Application Price may be rounded as the Manager determines. The amount of the rounding must not be more than 1 % of the Application Price. Any excess application money or property which results from rounding becomes an Asset.

Rights issues

- 4.4 Subject to the terms of any applicable ASIC relief and the Listing Rules (while the Listing Rules apply), the Manager may offer Units (including as a component of Stapled Securities) for subscription at a price determined by the Manager to those persons who were Members on a date determined by the Manager:
- (a) provided that, subject to paragraph b of this **clause 4.4**, all Members are offered Units or Stapled Securities in proportion to the value of the Member's Units or Stapled Securities (or where the offer is made only to Members who hold Units or Stapled Securities in a particular class, to the value of the Member's Units or Stapled Securities in that class) at the relevant date; and
 - (b) the Manager may exclude a Member from the pro rata offer if to do so would not be in contravention of paragraph 601FC(1)(d) of the Corporations Act, as modified by any applicable ASIC relief.

Terms of pro rata issues

- 4.4A Any offer made under **clause 4.4** must specify the period during which it may be accepted. The Manager may adjust any entitlement pursuant to an offer made under **clause 4.4** to accord with the Listing Rules and, in the case of fractions, the Manager must offer Members the next lower whole number of Units or Stapled Securities, as applicable. Any Member may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.
- 4.4B Any Units or Stapled Securities, as applicable, offered for subscription under **clause 4.4** which are not subscribed for within the period for acceptance set by the Manager may be offered for subscription by the Manager to any person. The application price payable in relation to such further offer must not be less than that at which the Units or Stapled Securities, as applicable, were originally offered to Members.
- 4.4C If an underwriter has underwritten any offer for subscription of Units or Stapled Securities, as applicable, under **clause 4.4**, the underwriter may take up any Units or Stapled Securities, as applicable, not subscribed for by Members provided that where Stapling applies, the underwriter subscribes for an identical number of each Other Attached Security.

Placements and interest purchase plans

- 4.5 While the Trust is Listed, the Manager may at any time issue Units to any person by way of a placement or under an interest purchase plan:
- (a) at a price equal to:
 - (i) while Stapling does not apply, the Average Market Price of a Unit calculated on the day before the date of the offer; or

- (ii) while Stapling applies, at such proportion of the Application Price of a Stapled Security (being the Average Market Price of a Stapled Security) calculated on the day before the date of the offer as the Manager determines in accordance with **clause 4.7** or **clause 4.7A**; or
- (b) at a price and on terms determined by the Manager, provided that the Manager complies with the Listing Rules applicable to the issue and the conditions and restrictions of any applicable Relief.

Reinvestment

4.6 The Manager may at any time issue Units upon reinvestment of distributions, or to an underwriter pursuant to an underwrite of a reinvestment of distributions, and may determine the Application Price for the issue, provided that:

- (a) while the Trust is not Listed, if the Manager has not determined the Application Price by the date at which the Units are to be issued upon reinvestment, the Application Price will be calculated in accordance with **clause 4.1f**) as at the first Business Day after the end of the distribution period to which the distribution relates; and
- (b) while the Trust is Listed, if the Manager has not determined the Application Price by the date at which the Units are to be issued upon reinvestment, the price will be the average of the daily volume weighted average price for Units or Stapled Securities (as relevant) for each of the 15 Trading Days from and including the Trading Day after the record date for the relevant distribution period; and
- (c) the Manager complies with the Listing Rules applicable to the issue and the conditions and restrictions of any applicable ASIC relief; and
- (d) if the amount to be reinvested in additional Units or Other Attached Securities (as relevant) results in a fraction of a Unit or Stapled Security (as relevant), the Manager and the Stapled Entities may determine that:
 - (i) Members' entitlements are to be rounded down; or
 - (ii) the money representing the fraction or fractions will be held for future reinvestment in the Trust and the Stapled Entities (if relevant) at the next time that reinvestment is to occur, in such proportions as the Manager and the Stapled Entities (if relevant) determine on behalf of the relevant Member; and
- (e) where the Manager and the Stapled Entities have made a determination that 4.6d)ii) will apply, the money held on behalf of a Member for future reinvestment, may be aggregated in the discretion of the Manager and the Stapled Entities (if relevant) and when the aggregated amount reaches

the Application Price of a Unit or Stapled Security (as relevant), be applied in the subscription or transfer of a Unit or Stapled Security for the Member.

Determination of Application Price or Redemption Price where Stapled Securities are issued

4.7 Where:

- (a) Stapling applies;
- (b) as a consequence, a Unit is to be issued or redeemed as part of a Stapled Security; and
- (c) this constitution contains a provision for the calculation or determination of the application price or redemption price for the Stapled Security but not for the Unit;

the Manager must determine what part of the application price or redemption price of a Stapled Security is to represent the Application Price or Redemption Price of the Unit for the purposes of this constitution.

4.7A Unless otherwise agreed between the Manager and the Stapled Entities, the Application Price for a Stapled Security will be allocated between the Application Price of the Unit and the Application Price of each Other Attached Security in the ratio of their net assets (adjusted for the net market value of their investments) at the end of the relevant period immediately before the issue of the Stapled Security.

4.7B Where an option to acquire a Stapled Security is issued, the allocation of the issue price of the option must be determined in the same manner as under **clause 4.7A**.

4.7C The allocation of the Application Price for a Stapled Security under paragraph 4.7, 4.7A and 4.7B must be consistent for each Stapled Security issued or transferred to each Member at the same time.

Distribution entitlement of Units¹²

4.8 The Manager may issue Units on the basis that:

- (a) the Units participate fully in distributions of the Trust in respect of the distribution period in which they are issued; or
- (b) the Units participate in distributions of the Trust in respect of the distribution period in which they are issued from a date specified by the Manager; or¹³
- (c) the Units do not entitle the holder of such Units to receive any distributions of the Trust in respect of the distribution period in which such Units are issued; or

¹² Sub-paragraphs a, c and d of clause 4.8 was inserted by Stockland Trust Amending Deed Poll No. 1 dated 24 May 2000. Clause 4.8 was subsequently amended by Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003 by replacing references to "income" and "net income" with references to "distributions", and amended by Stockland Trust Amending Deed Poll No. 16 dated 29 October 2013.

¹³ Clause 4.8b) inserted by Stockland Amending Deed Poll No 2 dated 11 September 2000.

- (d) the Units entitle the holder of such Units to receive distributions of the Trust in respect of the distribution period in which such Units are issued in accordance with the principles set out in **clause 9.3e)i)** and **clause 9.13**.

Employee Security Plan¹⁴

- 4.9 While the Trust is Listed, the Manager may at any time issue Units to any Employee for no consideration pursuant to any Employee Security Plan, provided that in any calendar year, the Manager may only issue, pursuant to this **clause 4.9**, such number of Units as do not exceed 2% of the total number of issued Units determined as at 1 January of that year.

Incentive Share Plan

- 4.10 While the Trust is Listed and Stapling applies, the Manager may at any time issue Units pursuant to an offer under any Employee Security Plan¹⁵ to any Employee at a price being that part of the application price for each Stapled Security of which each Unit is a component determined by the Manager where the Stapled Security is issued at an application price equal to the volume weighted average price at which Stapled Securities are traded on the ASX during the five Trading Days up to and including the last Trading Day before the date and the Stapled Security is issued pursuant to the offer.¹⁶

Restriction on issue and redemption of Units

- 4.11 No Units may be issued or redeemed after the earlier to occur of:
- (a) the day immediately preceding the 21st anniversary of the date of death of the last survivor of the descendants of His late Majesty King George V living at 9 June 1982; and
 - (b) the expiration of the period of 80 years commencing on 9 June 1982;

if that issue or redemption would cause a contravention of the rule against perpetuities or any other rule of law or equity.¹⁷

Issue of Other Attached Securities

- 4.12 While Stapling applies, any offer of Units to a Member under this constitution must be accompanied by a contemporaneous and corresponding offer of each Other Attached Security by the relevant Stapled Entity, which offer is capable of acceptance only if the Member takes up an identical number of Units and each Other Attached Security.

¹⁵ The words "any Employee Security Plan" inserted by Stockland Amending Deed Poll No. 11 dated 24 October 2006.

5 Application procedure

Application form

- 5.1 An application for Units must complete a form approved by the Manager if the Manager so requires. The form may be transmitted electronically if approved by the Manager.
- 5.2 While Stapling applies, an applicant for Units must at the same time make an application for an identical number of each Other Attached Security.

Payment

- 5.3 Payment in respect of an application in a form acceptable to the Manager, or a transfer of property of a kind acceptable to the Manager and able to be vested in the Manager or a custodian appointed by it (accompanied by a recent valuation of the property, if the Manager requires), must:
- (a) accompany the application;
 - (b) be received by or made available to the Manager or the custodian within such period before or after the Manager receives the application form as the Manager determines from time to time; or
 - (c) comprise a reinvestment of distribution in accordance with **clause 9.10**.

If the Manager accepts a transfer of property other than cash, any costs associated with the valuation or transfer of the property must be deducted from the market value of the property before the number of Units to be issued is calculated.

Manager may reject

- 5.4 The Manager may reject an application in whole or in part without giving any reason for the rejection.¹⁸

Manager must reject

- 5.5 While Stapling applies, the Manager must reject an application for Units if the applicant does not apply at the same time for an identical number of each Other Attached Security or if an identical number of each Other Attached Security will not be issued to the applicant at the same time as the issue of Units to the applicant.

Minimum amounts

- 5.6 The Manager may set a minimum application amount and a minimum holding for the Trust or in respect of particular classes and alter or waive those amounts at any time.¹⁹

Issue date

- 5.7 Except in the case of a reinvestment of distribution in accordance with **clause 9.10**, Units are taken to be issued when:

¹⁸ Refer Listing Rule 10.11 -- restriction on issue of Units to related parties.

¹⁹ While the Trust is Listed, see clause 26 regarding the sale of small holdings.

-
- (a) the Manager accepts the application; or
 - (b) the Manager receives the application money, or the property against which Units are to be issued is vested in the Manager,
- whichever happens later.

Units which are issued on a reinvestment of distribution in accordance with **clause 9.10** are taken to be issued on the date of the distribution of income in accordance with **clause 9.4**.

Uncleared funds

5.8 Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Manager within 1 month of receipt of the application.

5.9 Notwithstanding **clauses 5.3, 5.7 and 5.8**, the Manager may determine that the application money or the property against which Units are to be issued is to be vested in the trustee of a trust in which the Manager holds all or part of the beneficial interest, rather than the Manager itself or a custodian.

If the Manager does so:

- (a) **clauses 5.3, 5.7 and 5.8** apply as if references to vesting of application money or property in the Manager or custodian were references to vesting of application money or property in the trustee of that trust; and
- (b) it may also determine that some or all of any costs associated with a transfer of property incurred or likely to be incurred by the trustee of that trust should be taken into account for the purposes of the last paragraph of **clause 5.3**.²⁰

6 Redemption Price of Units²¹ and On-Market Buy-Back

Redemption Price

6.1 While the Trust is not Listed, a Unit must only be redeemed at a Redemption Price calculated as:

$$\frac{\text{Net Asset Value} - \text{Transaction Costs}}{\text{number of Units in issue}}$$

6.2 Each of the variables in **clause 6.1** must be determined:

- (a) while the Trust is Liquid, as at the next Valuation Time after the Manager receives the redemption request; or
- (b) while the Trust is not Liquid, at the time the withdrawal offer closes.

²⁰ Clause 5.9 inserted by clause 1.7 of Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.

²¹ Required to be included by Section 601 GA(4) if a right of redemption is to be offered.

6.3 The Redemption Price may be rounded as the Manager determines. The amount of the rounding must not be more than 1% of the Redemption Price.

On market buy-back

6.4 While the Trust is Listed and subject to the Corporations Act and the Listing Rules, the Manager and the Stapled Entities together may purchase Stapled Securities on the ASX. When they do so, the Stapled Entities will be regarded as having purchased the relevant Attached Securities and the Manager will be regarded as having purchased the Units in the Trust, and upon such purchase Stapling will cease in relation to the Stapled Securities so purchased, and the Stapled Securities will be cancelled.

6.5 The price of a Stapled Security purchased under **clause 6.4** will be such allocation of the on market purchase price of the Stapled Security as agreed between the Manager and the Stapled Entities.

Redemption of Financial Instruments

6.6 Subject to the terms of issue of the relevant Financial Instruments and the Corporations Act, as modified by any applicable Relief:

- (a) the Manager may at any time redeem any Financial Instruments for an amount equal to \$100 per Financial Instrument or such other amount as the Manager determines; and
- (b) where the Manager redeems any Financial Instruments under **clause 6.6a**), the Manager may apply the redemption proceeds due to the holder of the redeemed Financial Instruments towards the subscription for new Units, or while Stapling applies, Stapled Securities, which will be issued in accordance with this Constitution, and while Stapling applies the Constituent Documents, at a price determined in accordance with **clause 4**.

7 Redemption procedures²²

7.1A While the Trust is Listed, none of the provisions of this **clause 7** except **clause 7.10** apply.²³

Request for redemption

7.1 A Member may make a request for the redemption of some or all of their Units in any manner approved by the Manager and, while the Trust is Liquid, the Manager must give effect to that request at the time and in the manner set out in this **clause 7**.

7.2 A Member may not withdraw a redemption request unless the Manager agrees.

²² These procedures must be fair to all Members: Section 601 GA(4).

²³ Refer Listing Rule 1.1 condition 5.

When Trust is Liquid²⁴

7.3 **Clauses 7.4 to 7.10** apply only while the Trust is Liquid.²⁵

7.4 The Manager must satisfy a redemption request in respect of a Unit by payment from the Assets of the Redemption Price calculated in accordance with **clause 6**. The payment must be made within 35 days of receipt of the request or such longer period as allowed by **clause 7.5**.

7.5 If the Manager has taken all reasonable steps to realise sufficient Assets to satisfy a redemption request and is unable to do so due to one or more circumstances outside its control such as restricted or suspended trading in the market for an Asset, the period allowed for satisfaction of the request may be extended by the number of days during which such circumstances apply.

7.6 The Manager need not give effect to a redemption request in respect of Units having an aggregate Redemption Price of less than the minimum application amount or such other amount as determined by the Manager from time to time unless the redemption request relates to the balance of the Member's holding.

7.7 The Manager is not obliged to pay any part of the Redemption Price out of its own funds.

7.8 If compliance with a redemption request would result in the Member holding Units with an aggregate Redemption Price which is less than the then current minimum holding amount, the Manager may treat the redemption request as relating to the balance of the Member's holding.

7.9 If the Manager increases the minimum holding amount, the Manager may, after giving 30 days' notice to a Member who holds Units with an aggregate Redemption Price less than the then current minimum holding amount, redeem that Member's holding without the need for a redemption request.

Discretionary redemption

7.10 Subject to the Corporations Act and the Listing Rules (if the Listing Rules apply), if the Manager is not obliged to give effect to a redemption request, it may redeem some or all of the Units which are the subject of the request.²⁶

When Trust is not Liquid²⁷

7.11 While the Trust is not Liquid,²⁸ a Member may withdraw from the Trust in accordance with the terms of any current withdrawal offer made by the Manager in accordance with the provisions of the Corporations Act regulating offers of that kind.²⁹ If there is no

withdrawal offer currently open for acceptance by Members, a Member has no right to withdraw from the Trust.

7.12 The Manager is not at any time obliged to make a withdrawal offer. If it does, it may do so by:

- (a) publishing it by any means (for example in a newspaper or on the internet); or
- (b) giving a copy to all Members or Members of a class (as relevant).

7.13 If the Manager receives a redemption request before it makes a withdrawal offer, it may treat the request as an acceptance of the offer effective as at the time the offer is made.

Clauses applicable whether or not the Trust is Liquid

7.14 **Clauses 7.15 and 7.16** apply whether or not the Trust is Liquid.

Sums owed to Manager

7.15 The Manager may deduct from the proceeds of redemption or money paid pursuant to a withdrawal offer any money due to it by the Member.

Redemption while Stapling applies

7.16 While Stapling applies, the Manager may not redeem a Unit unless the Stapled Entities also redeem or buys back the corresponding Attached Securities.

8 Valuation of assets

Valuation

8.1 The Manager may cause an Asset to be valued at any time, and must do so as and when required by the Corporations Act.³⁰

8.2 The Manager may determine Net Asset Value at any time, including more than once on each day.

8.3 The Manager may determine valuation methods and policies for each category of Asset and change them from time to time. Unless the Manager determines otherwise, the value of an Asset for the purposes of calculating Net Asset Value will be its market value.³¹

8.4 While the Trust is not Listed, where the Manager values an Asset at other than its market value, or where there is no market value, the valuation methods and policies applied by the Manager must be capable of resulting in a calculation of the Application Price or Redemption Price that is independently verifiable.

³⁰ See section 601FC(j) for Manager's obligations concerning valuation.

³¹ ASIC Policy Statement, 134, paragraph 29: constitution should set out how scheme property will be valued.

9 Income and distributions to Members³²

Distributable income

- 9.1 The Manager shall collect and receive all moneys, rights and property which are paid or receivable in respect of the Trust.
- 9.2 The Manager may keep separate accounts of the Interest Income and Non-Interest Income and attributable costs, charges and expenses.
- 9.3 The net income of the Trust to be distributed in respect of any period after setting aside any sum under **clause 9.6** must be transferred to a Distribution Account as at the last day of such period (but so that Interest Income and Non-Interest Income shall be shown separately where the Manager has determined to distribute to Non-Resident Members under paragraph a of this clause) and distributed to Members as at the close of business on the last Business Day of such period (subject to any deduction to be made in respect of any Tax) in the following manner:
- (a) the Manager may (but shall not be obliged to) determine, subject to paragraph b of this clause, to distribute to Non-Resident Members from either;
 - (i) the Interest Income of the Trust (after deducting any expenditure related to the Interest Income) and in proportion to the Units held by the Non-Resident Members; or
 - (ii) the Non-Interest Income of the Trust (after deducting any expenditure related to the Non-Interest Income) and in proportion to the Units held by the Non-Resident Members;
 - (b) where the Manager has made a distribution to Non-Resident Members under paragraph a of this clause, the Manager must distribute to the Resident Members from the balance then remaining in the Distribution Account. Notwithstanding the foregoing, the Manager shall make such adjustments as are necessary so as to ensure that each Member receives in respect of the net income of the Trust distributed an equal amount in respect of each Unit;
 - (c) if the Manager has determined not to make a distribution under paragraphs (a) and (b) of this **clause 9**, the Manager must distribute to both Resident Members and Non-Resident Members in proportion to the Units held by such Members so that all Members receive an equal proportion of both Interest Income and Non-Interest Income;
 - (d) any distribution made shall be subject to any applicable deduction to be made in respect of any Tax but the amount of net income distributed in respect of each Unit shall be calculated without having regard to any deduction made in respect of any Tax. If a deduction is made in respect of any

³² Refer to Listing Rules 3.20 - notification to ASX of record date, and 6.10 - prohibition on changing the right to a distribution.

Tax and the amount of the deduction is incorrect for any reason whatsoever then the Manager must advise the Member who is affected ("**the relevant Member**"). If the deduction was greater than the amount properly deductible, then the Manager must pay to the relevant Member the amount which represents the amount incorrectly deducted. If the deduction was less than the amount properly deductible, then the Manager is entitled to recover from the relevant Member the amount which represents the difference between the amount which should have been deducted and the amount which was deducted ("**the under-deduction**"). Without limiting the generality of the foregoing, the Manager may recover the under-deduction by deducting from future distributions to the relevant Member such amounts as may be necessary;

- (e) subject to paragraph iii of this **clause 9.3e**:³³
- (i) the net income of the Trust to be so distributed shall accrue in respect of a Unit only from the first day of the month immediately following the creation and allotment of the Unit or in the case of a reinvestment of a distribution in accordance with **clause 9.10**, from the first day of the month immediately following the date on which it is deemed to be issued under **clause 5.7**, and shall accrue from month to month, and shall be apportionable in respect of time accordingly ("**the Unit Distribution**");
 - (ii) the Unit Distribution in respect of a Partly Paid Unit shall be as follows:
 - (A) the distribution shall be that proportion of the Unit Distribution which the amount received by the Manager in respect of the Unit bears to the Application Price of the Unit;
 - (B) where the Application Price of the Unit has been received by the Manager in instalments, each instalment shall (notwithstanding the date of actual receipt) be deemed to have been received on the first day of the month immediately following the receipt of the relevant instalment; and
 - (iii) if the Manager issues Units pursuant to **clause 4.8** that are expressed to carry a different income entitlement to that stated in **clause 9.3e**i), then for

the relevant period those Units will carry that different income entitlement.³⁴

Distribution periods

9.4 The Manager must distribute the net income which has arisen in respect of the Trust during the half yearly period ending on the last day of December and June as the case may be. The net income must be distributed within two months of the closing of the Register for the purpose of determining distribution entitlements.

Net Income

9.5 The Manager must calculate the net income of the Trust for each half-yearly period. Unless the Manager determines by a resolution of its directors from time to time that the net income is to be calculated in some other manner, in determining the net income of the Trust for the purposes of determining the net income to be distributed under this **clause 9** there shall be taken into account at the last day of the half yearly period all income due and receivable and all costs charges and expenses due or accrued provided that the Manager may adjust the net income having regard to:

- (a) in the case of the half year ending on 30 June, the fees payable to the Manager under **clause 19.1**;
- (b) all expenses and outgoings incurred by the Manager under **clause 19.4** other than expenses or outgoing of a capital nature;
- (c) any amount considered necessary by the Manager to provide for the depreciation of investments or the amortisation of the cost of any leasehold property in which the Trust may be invested;
- (d) due provision as considered necessary by the Manager for prepayments and allowance for doubtful debts; and
- (e) such other amounts and contingencies considered necessary by the Manager in order that the net income for the particular distribution period may fairly represent the results of the Trust for that period including without limitation, any authorisation of goodwill, alterations or reversals of accounting treatments and any realised or unrealised gains or losses (whether or not recognised in the financial statements) on the assets or liabilities of the Trust.

The Manager may treat as expenses all coupon, interest, distribution or other periodic payments, if any, required to be paid by the Manager to Holders of Financial Instruments in accordance with the terms of those Financial Instruments. In addition, the Manager may determine whether any item is income or capital.

³⁴ Clause 9.3e)iii) inserted by clause 1.1(b) of Stockland Trust Amending Deed Poll No. 1 dated 24 May 2000.
11659894_1

9.6 After the net income of the Trust for any period has been determined and before such net income is transferred to the Distribution Account under **clause 9.3**, the Manager must set aside out of such net income such sum (not exceeding the amount by which the net income of the Trust for that period exceeds the taxable income of the Trust for that period) as the Manager determines to be transferred to the Undistributed Income Account. The sums standing to the credit of the Undistributed Income Account may be transferred to the Distribution Account at such times and in such amounts as the Manager may determine.

9.7 For an AMIT Income Year, the Manager may establish principles to determine the manner in which Trust Components are allocated to a Member including in relation to amounts distributed to Members and amounts held for their benefit for the purposes of attribution.

Reinvestment

9.8 The Manager may in its discretion from time to time by notice to all Members confer upon Members of the Trust the right of reinvestment of income in further Units during such period as the Manager may determine. This right if conferred by the Manager may be exercised by the Member by giving notice in writing to the Manager (in the form determined by the Manager from time to time) to request that the Manager retain and reinvest in Units the money or part of the money to be distributed to the Member under **clause 9.3**.

9.9 A Member may by notice in writing to the Manager (in the form determined by the Manager from time to time) received not later than the last day of the relevant distribution period, or such later date as determined by the Manager, cancel any notice given under **clause 9.8**. The Member is entitled to give a further notice under **clause 9.8** at any time in respect of any subsequent distribution period.

9.10 In the event that a notice under **clause 9.8** has been given to the Manager by a Member no later than the last day of the relevant distribution period, or such later date as determined by the Manager, and has not been cancelled under **clause 9.9** the Manager is entitled, but not obliged, out of any money to be distributed to the relevant Member at the date of distribution, to retain all or part of the amount specified in accordance with the notice and reinvest that money on behalf of the Member in additional Units.

9.11 For all purposes the net income to be distributed to a Member is deemed to have been received by the Member on a reinvestment of that income in additional Units under the terms of this **clause 9**.

9.12 While Stapling applies, no reinvestment under **clause 9.10** may occur unless at the same time as Members are issued with additional Units, Members are issued with an identical number of each Other Attached Security which are then Stapled to the additional Units. The Manager may provide for and pay on behalf of Members all or part of the application money for such Other

Attached Securities out of the amount otherwise available for reinvestment.

Distributions of capital

- 9.13 The Manager may in respect of any distribution period distribute an amount of capital to the Members either:
- (a) in proportion to their holding of Units; or
 - (b) if the Manager issues Units pursuant to **clause 4.8** that are expressed to carry a different distribution entitlement to that stated in **clause 9.13a**), in a manner such that the capital distribution to be made in respect of a Unit in respect of a distribution period is apportionable in respect of the time during which the Unit is taken to have been created or issued during the distribution period. For the purposes of this paragraph, a Unit is taken to have been issued upon the first day of the month immediately following the creation and allotment of the Unit or in the case of a reinvestment of a distribution in accordance with **clause 9.10**, on the day of the month immediately following the date on which it is deemed to be issued under **clause 5.7**.

The distribution may be by way of cash or additional units.³⁵

Bonus Units

- 9.14 The Manager may distribute the whole or any part of such unrealised capital gains standing to the credit of the capital reserve account in the form of bonus Units to all Members in proportion to their holding of Units on a date determined by the Manager, at an Application Price determined in accordance with **clause 4.4**.
- 9.15 While Stapling applies, the Manager may not allot bonus Units unless contemporaneously with the increase in the number of Units, the Members subscribe for or purchase an identical number of each Other Attached Security which when issued or acquired (respectively) are then Stapled to the additional Units issued. The Manager may make provision for and make payment on behalf of Members of the subscription or purchase price for all or part of such Other Attached Securities out of the amount standing to the credit of the capital reserve account.

Periodic payments to Holders of Financial Instruments

- 9.16 The Manager must pay to Holders of Financial Instruments all coupon, interest, distribution or other periodic payments required to be paid to the Holders of Financial Instruments under the terms of those Financial Instruments with such payments to be made at the time and in the manner set out in the terms of those Financial Instruments.

³⁵ Clause 9.13 replaced by the Stockland Trust Amending Deed Poll No. 5 dated 1 September 2003.
11659894_1

9A Capital distributions and Capital Reallocations

- 9A.1 The Manager may at any time, with the approval by ordinary resolution of Members (the “**Outgoing Capital Reallocation Resolution**”), distribute capital of the Trust to the Members on terms that the amount distributed in respect of each Unit is to be applied by the Manager as agent for and on behalf each Member by paying that amount at the direction of each Member to one or more Stapled Entities as an additional capital payment in respect of the relevant Attached Security of that Stapled Entity which is already issued and to which the Unit is Stapled.
- 9A.2 Subject to the rights, obligations and restrictions attaching to any particular Unit, a Member is entitled to that proportion of the capital to be distributed under this **clause 9A** as is equal to the number of Units held by that Member on a date determined by the Manager divided by the number of Units on the Register on that date as at the end of the day.
- 9A.3 If at any time the Manager distributes capital of the Trust to the Members under **clause 9A.1** on terms that the amount distributed in respect of each Unit (the “**Outgoing Capital Reallocation Amount**”) is to be paid by the Manager as agent for and on behalf of the Member to one or more Stapled Entities as an additional capital payment in respect of the Attached Securities to which that Unit is Stapled, then:
- (a) each Member is taken to have directed the Manager to pay the Outgoing Capital Reallocation Amount to the relevant Stapled Entity or Stapled Entities on that basis;
 - (b) the Manager must pay the Outgoing Capital Reallocation Amount to the relevant Stapled Entity or Stapled Entities on that basis and in accordance with the Outgoing Capital Reallocation Resolution; and
 - (c) each Member will be deemed to have irrevocably (subject to clause 22) appointed the Manager as its attorney and agent to:
 - (i) do all things the Manager considers necessary to give effect to the Outgoing Capital Reallocation Resolution; and
 - (ii) without limiting **clause 9A.3(c)(i)**, to agree in writing to be bound by the modification of the constitution of the relevant Stapled Entity or Stapled Entities to include corresponding provisions relating to an Outgoing Capital Reallocation Resolution.
- 9A.4 If at any time and subject to the Corporations Act and Listing Rules, another Stapled Entity proposes to undertake a capital distribution (if it is a trust) or an equal reduction of capital (if it is a company) on terms that the whole or any part of the amount is to be paid in respect of each Attached Security of which that Stapled Entity is the issuer by way of capital distribution or capital reallocation (“**Incoming Capital Reallocation Amount**”) is to be paid to or for the benefit of the Trust, then:
- (a) each Member is taken to have directed the Manager to accept the Incoming Capital Reallocation Amount as an additional capital

payment in respect of the Unit to which the relevant Attached Security is Stapled:

- (b) each Member is deemed to have appointed the Manager as its attorney and agent to do all things the Manager considers necessary to give effect to the receipt of the Incoming Capital Reallocation Amount by the Manager; and
- (c) if the Stapled Entity is a company which proposes to undertake an equal reduction of capital, then each Member irrevocably appoints and directs the Manager to do the following on the Member's behalf and in the Member's name:

Termination

20.2 The Trust terminates on the earliest of:

- (a) the Date of Delisting; and
- (b) the date on which the Trust terminates in accordance with another provision of this constitution or by law.⁶⁵

If the law allows, the Manager may extend the life of the Trust beyond the date set for termination if in the Manager's opinion it is in the interests of Members to do so.

20.3 If at any time during the term of the Trust any legislation is enacted which has the effect of materially diminishing the amount of income of the Trust available for distribution to Members then the Manager may terminate the Trust.

21 Procedure on termination

Realisation of Assets

21.1 Following termination, the Manager must realise the Assets. This must be completed in 180 days if practicable and in any event as soon as possible after that. The Manager may, however, postpone realisation of the Assets or any Asset if the Manager considers it would be in the best interests of Members to do so, and the Manager is not responsible for any consequent loss.⁶⁶

Audit of winding up

21.2 If and to the extent that ASIC policy so requires, the Manager must arrange for independent review or audit of the final accounts of the Trust by a registered company auditor.

Distribution following termination

21.3 The net proceeds of realisation, after making allowance for all Liabilities of the Trust (actual and anticipated) and meeting the expenses (including anticipated expenses) of the termination, must be distributed to Members in accordance with the following formula:

$$\frac{(A+X) \times B - Y}{C}$$

C

Where:

A = the amount remaining in the Trust after deduction of the Liabilities and expenses referred to in this **clause 21.3**;

B = the aggregate of the number of Units held by the Member as at termination, including both Fully Paid Units and Partly Paid Units; and

⁶⁵ See Part 5C.9 on winding up.

⁶⁶ Sentence commencing "The Manager may ..." inserted by clause 1.12 of Stockland Amending Deed Poll No. 5 dated 1 September 2003.

- C = the aggregate of the total number of Units in issue as at termination, including both Fully Paid Units and Partly Paid Units;
- X = the aggregate of the amounts remaining unpaid on all Partly Paid Units in issue (if any); and
- Y = the aggregate of the amounts remaining unpaid on all Partly Paid Units held by the Member (if any) as at termination.

If the calculation of the entitlement to distribution of capital in respect of a particular Member in accordance with the formula in this **clause 21.3** results in a negative dollar amount, then that Member must pay to the Manager within 30 days of the date of a written request to do so that dollar amount, and the amount so required to be paid will become an Asset available for distribution on the winding up of the Trust. If a Member does not pay the amount so requested by the time the final distribution under this clause is to be paid, then item A in the formula is adjusted by deducting the amount due but not paid before the distribution to other Members is calculated.

The Manager may distribute proceeds of realisation in instalments.

- 21.4 Subject to the Corporations Act, the provisions of this constitution continue to apply from the date of termination until the date of final distribution under **clause 21.3**, but during that period the Manager may not accept any applications for Units from a person who is not an existing Member.

22 Amendments to this constitution

Manager may amend

- 22.1 If the Corporations Act allows,⁶⁷ this constitution may be amended:
- (a) by Resolutions;⁶⁸ or
 - (b) by deed executed by the Manager.

- 22.3 If the Manager is of the opinion that as a result of **clause 22.2** the Assets of the Trust or any part of it are to be invested or deposited otherwise than freely in accordance with the discretions given to the Manager by this constitution or if as a result of any law it appears to the Manager to be in the interest of the Members so to do, the Manager may terminate the Trust.

 - (b) nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;

23 Compliance committee

- (iii) need not receive any transfer, instrument or certificate for existing Stapled Securities in order for the Issuer to Register the transfer of the existing Stapled Securities to the Sale Nominee. The transfer will be evidenced by, and has full effect from, its Registration by the relevant Issuer in the Register.
- (f) Unless otherwise agreed between the Manager and the Other Issuers, the amount received for a Unit upon sale of a Stapled Security under paragraph 6.1(d)(iii) is the amount received on the sale of the Stapled Security less the fair value for the Other Attached Securities, as determined by the Manager.
