MEGA BIG NEWS: COTTON ON MEGA OPENING AT STOCKLAND GREEN HILLS THIS WEEK

Stockland Green Hills is thrilled to announce that Cotton On Mega will be opening its doors to customers this Saturday 5 September.

Centre Manager at Stockland Green Hills, Jodie Bouffler, said that Cotton On was the most requested store during the centre's redevelopment, and that the team has since made it a priority to bring them to the centre.

"We're always encouraging customer feedback and do our best where possible to create a truly curated experience," said Ms Bouffler.

"We knew that the community wanted to see a Cotton On at the centre, and are pleased to finally be able to deliver on that for our customers in Maitland and the Lower Hunter.

"Customers no longer have to travel to Newcastle for this retailer. They have the convenience of one located right here in their hometown, and the further convenience of being able to shop for men, women, kids and even specific wardrobe items like exercise clothes, all in one place."

Cotton On Mega offers value fashion from their suite of brands, including their men's and women's ranges, Cotton On Kids, Body and Rubi Shoes.

The new shop will be a sprawling 1,000 square metres, and be located next to JB HiFi on the ground floor of the centre, replacing the former Harris Scarfe space.

Stockland Green Hills has also recently welcomed Boa Brothers in the food court.

Notes to the editor:

There will be COVID Safe practises in place for the opening this weekend for customer health and safety, including (but not limited to) separate entry and exit points, a marshal-monitored queue, hand sanitiser stations, capacity limits, and more.
