HUNDRED HILLS TO HOST MONTHLY CAR BOOT SALE

The growing “car boot sale” phenomenon is coming to Murwillumbah with plans for a monthly charity event to be held at Stockland’s Hundred Hills community.

The event is being organised by the Rotary Club of Murwillumbah Central and will debut on Sunday, 19 February from 7.30am until Noon.

Car boot sales are a great way for community members to sell unwanted items and also provide a low-cost outlet for locally produced arts, crafts and other products.

Organisers plan to make the Murwillumbah sale a regular monthly event with a carnival atmosphere featuring a sausage sizzle, jumping castle and face painting.

Exhibitors will simply pay a small fee to showcase their wares, which will help to raise funds for Rotary’s existing charitable activities.

Rotary Club Past President, George Phillips, said the club had been inspired by successful car boot sales already operating in parts of the Gold Coast.

“We are really excited about the prospects for this event and already have a few exhibitors committed for the first sale in February,” Mr Phillips said.

“There is really no limit to what can be offered for sale – it just has to fit in your car boot or the back of a ute!” he said.

“Stockland has been very supportive and offered to host our car boot sale at its vacant land at Hundred Hills.

“The community has plenty of room and we would like to encourage as many people from Murwillumbah and surrounding areas as possible to participate.”

Hundred Hills is a growing Stockland community offering a relaxed coastal country lifestyle just minutes from the centre of Murwillumbah.

The centrepiece Hundred Hills Green includes an adventure playground, spacious kick-around area, picnic shelter and BBQ facilities.

Stockland Regional Manager for the Gold Coast and Northern NSW, David Laner, said he was delighted to be hosting Rotary’s new car boot sale at Hundred Hills.

“These events are becoming very popular and are a great opportunity for the local community to get together for a practical purpose and a good cause,” he said.
