## NAUTICAL-THEMED PLAYGROUND SET TO ADD SPLASH OF EXCITEMENT TO FREE FAMILY EVENT AT NEWPORT

An exciting nautical-themed adventure playground will be completed in time for a free family event on Saturday, 18 June, at Stockland's \$590 million Newport community under construction on the Redcliffe Peninsula.

The Seaside Family Event, which will be held next to Newport's Sales and Information Centre on the corner of Griffith and Boardman Roads, will run from 1pm to 3pm and features entertainment, food and fun activities.

Adding to the excitement of the day, youngsters will be able to road test Newport's new nautical-themed playground which is located next to the sales and information centre overlooking the water.

David Laner, Regional Manager at Stockland, said landscaping teams and other contractors had been working around the clock to ensure the playground would be ready in time for the celebrations.

"Youngsters are going to have so much fun at the playground," Mr Laner said. "With its prime location by the water, the shaded play area will inspire kids to let their imaginations run wild as they try out the equipment which includes cubby houses connected by a drawbridge, slides, swings and a treasure chest."

The seaside-themed event will include fish and chips, an ice cream truck and the Redcliffe PCYC will be holding a sausage sizzle, all free of charge for anyone attending the event.

Kids can also look forward to face painting, sand artistry, art and craft activities and guests will be able to test their skills on a mechanical surfboard. Other highlights include a drumming circle, chill out areas and a live musician.

Mr Laner encouraged residents from around the Moreton Bay region to attend the event at the new waterside community coming to life on a 143 hectare site on the Redcliffe Peninsula.

"This will be such a fun event and we are expecting many pre-registered buyers who have already snapped up the first home sites to attend," he said. "It will also be a great opportunity for potential buyers who want to learn more about Newport."

**ENDS**

**Notes to Editor:**

Newport will eventually be home to around 5,000 residents and over the next decade Stockland will create more than 2,000 dwellings to cater to everyone from first-home buyers to growing families to retirees. Construction on the first homes is expected to start before the end of 2016.

This community will provide a modern and convenient lifestyle just a short stroll to the stunning vista of Moreton Bay and beautiful green open spaces, with pathways and bikeways connecting homes with the village centre, playgrounds and lake.

Newport will feature a 23-hectare lake with navigable locks and high mast access to Moreton Bay and a 2.9 hectare eco-corridor. It will be a short drive from Stockland's North Lakes and Stone Ridge Narangba communities and within walking distance of a new train station.

Newport's first land release has sold out. The second land release includes lots ranging from 312 square metres to 576 square metres and priced from \$237,000 to \$387,900. All lots are exclusively available to customers who have submitted an expression of interest.

For more information and to submit an expression of interest, visit [www.stockland.com.au/newport](http://www.stockland.com.au/newport), call into the Newport Sales and Information Centre on the corner of Griffith Road and Boardman Road or phone 1300 619 605. You can also join the community's Facebook page at [www.facebook.com/newportwaterside](http://www.facebook.com/newportwaterside).

**Stockland**

Stockland (ASX: SGP) was founded in 1952 and has grown to become Australia's largest diversified property group – owning, developing and managing a large portfolio of shopping centres, residential communities, retirement living villages, office and industrial assets.
