Foodies are set to rejoice on November 30 when Stockland unveils its new food court, part of its revitalised food precinct for the \$414 million redevelopment.

The 2,310 square metre space will be located on the new level 1 mall with direct access from Target and accessible from Mitchell Drive.

The food court will be encased by a glass façade, set to redefine the entry way of the Stockland Green Hills Shopping Centre and offer natural light for diners. It will also include an abundance of foodie offerings for customers with 12 new food retailers.

Daniel Brabant, Stockland Green Hills Development Manager, said: “This is a pivotal moment in the redevelopment of Stockland Green Hills. We know our customers have had limited food options over the past year and we are very excited to unveil the first part of our revitalised food offering for the centre.

“Our new food court will offer over 500 seats and a great variety of tastes and flavours for customers from Indian curries to sushi, dumplings to salads and sandwiches. We have ensured to add a wide range to meet our customers’ needs and satisfy their hunger while they shop.”

The 12 retailers opening in the Stockland Green Hills food court on November 30 are: Namaste Indian, Sunshine Kebabs, KFC, McDonalds, Wok N Roll, Le Wrap, Rolld, Craft Cuts, Sushi Hub, Nathans Famous, Dumpling Flavour and Muffin Break.

The new food court is just the first half of the broader food precinct for the development. Stockland will also deliver an upmarket casual dining precinct in the next stage with an additional 1,150 seats and 15 food outlets.

Upon completion, Stockland Green Hills will offer approximately 40 restaurants, food outlets and cafes across the new 74,000 square metre centre.

The November 30 stage opening will also see Stockland open a new 5,900 square metre full-line Target, 75 additional specialty retailers, an exciting new inclusive children’s playground and 490 new car parking spaces.

Daniel Brabant continues: “The bigger, better and brighter Stockland Green Hills is truly taking shape and we look forward to this significant stage opening on November 30.

“We’ve made great progress so far this year and we look forward to continuing to transform Stockland Green Hills into the premier retail, entertainment and casual dining destination in the Lower Hunter.”

Upon completion in mid-2018, the centre will feature the first new look David Jones department store in the Hunter, a new Target discount department store, a new 900 seat Hoyts cinema and around 220 tenancies with a vibrant new dining and entertainment precinct that will be the biggest and best in the region.
