About Stockland Birtinya

Stockland Birtinya will be centrally located on the Sunshine Coast. The centre will form the major retail component of Stockland's Oceanside residential community development which is planned to include between 40,000 and 50,000 residents once fully developed.

Upon completion, the retail district will feature Coles, Aldi and fresh food. The centre will be located within close proximity to a number of education and sporting related facilities and will adjoin the Sunshine Coast Health and Hospital precinct. Additionally, the centre will have conveniently located car parking and will be accessible in the future by public transport when the Caboolture to Maroochydore rail service is complete.

Stockland Birtinya will be consciously different to its competitors with architectural finishes and a relaxed atmosphere. Creating a great place for convenience shopping, having a coffee or meeting friends for a casual dining experience.

In the background, a man with a beard, wearing a white shirt, is smiling and holding a large black bowl of food. The table is set with plates, glasses of wine, water, and several lit candles in glass holders. There are also bottles of wine and water on the table. The background is filled with dark green foliage, and the overall atmosphere is warm and intimate.
