BOWERBIRD

Styling for keeps

Ever wished you could purchase a home furnished and styled by an interior designer? Here is your chance.

Stockland and Bowerbird Interiors are teaming up, giving buyers of selected lots of Sana and Avia townhomes the opportunity to get their newly purchased townhome furnished and styled* by Bowerbird Interiors.

That's furniture and styling* to the retail value of \$58,000 based on individually purchased items.

Curated by expert stylists, Bowerbird, buyers have the choice of furnishing their home with furniture and soft furnishings in light or dark palette options.
