Design Essentials Checklist

The purpose of this supplement is to encourage a cohesive community character that complements and enhances the streetscape. This supplement is to be used in conjunction with the NSW Design Essentials Document.

1.1 DOUBLE STOREY REQUIREMENT

Please refer to the Section 88b Instrument that applies to your lot for any double storey restrictions that may apply.

7.0 LANDSCAPING

Point 7.0 of the NSW Design Essentials is replaced with the following:

- 7.1 Areas that are not used as a driveway and/or path in the front setback are to be landscaped with a combination of turf and shrubbery or garden beds.
- 7.2 Each lot is to provide a minimum 400mm garden bed at the front boundary of the lot. Hedge plants should be planted every 300mm at a maximum spacing and should be minimum 300ml pot size when planted.
- 7.3 Each lot is to provide a feature tree with a minimum pot size of 75L in the front setback zone.

8.0 FENCING AND RETAINING WALL

Points 8.4 and 8.5 of the NSW Design Essentials are replaced with the following:

- 8.4 Front Fencing is to be provided to all Boulevard Lots. Front fencing must be 1m high, 460mm wide constructed rendered masonry piers with a 300mm low wall with shrub planting behind or open metal/timber infill. On corner lots, front fencing is to continue along the secondary boundary at 1m height till behind the side articulation zone of the dwelling.
- 8.5 Letter Box is to be constructed of rendered brick, and is to complement the house.

DISCLAIMER OF LIABILITY: It should be noted that meeting the controls described in this Design Essentials document and securing a design endorsement from Stockland does not constitute an approval from your relevant Council or certification from an Accredited Certification Authority. In the event that Stockland allows a variation from these Design Guidelines, the variation will neither set precedent nor imply that the approval will be repeated by Stockland or supported by an Accredited Certification Authority or relevant Council. All information is subject to change without notice. Printed August 2017.
