

# Our place for community

## Happy New Year!

We welcome 2021 with open arms and are looking forward to the year ahead! Please read on for the latest in The Gables. If you have any questions or queries, please contact [customercareteam@stockland.com.au](mailto:customercareteam@stockland.com.au)

## Construction update

There has been a lot of activity within The Gables and we have hit a few milestones. New roads within the estate are beginning to take shape, with Stages B3A and B3B quickly approaching lot registration. New residents will soon be taking ownership of their future homesites.

As some residents may be aware, a section of Fontana Drive has reached construction completion, and is currently undergoing council's final approval process. This extension of Fontana Drive will connect through to Red Gables Road and the future Santa Sophia Catholic College.

Construction of the Fontana Drive Bridge has commenced, this will allow a seamless journey from Fontana Drive through to Santa Sophia and the future town centre. Stay tuned for an update in our next newsletter.

We also thank all the residents who live on the streets within The Gables who have been impacted by the recent AC works. We will aim to keep you up to date via email and Facebook.

## A word from Tuula, Community Manager

It was great to meet many residents before Christmas while delivering various prizes and driving around The Gables checking out the lovely Christmas lights so many had gone to great effort with. With a new year and hopefully less restrictions, I look forward to more face-to-face interaction in 2021 and facilitating building new friendships in this beautiful community.

Thank-you to all of those in the community who participated in our Liveability Survey and the Stockland Care Grants program. We look forward to sharing the results mid year!

## Easter Event

We are excited to let The Gables community know we will be celebrating Easter this year!

This Covid-safe event encourages all residents to get out and explore our community in an Easter Egg treasure hunt. There will also be a special visit from the Easter Bunny. This event will be ticketed, please follow the link to RSVP and for more information!

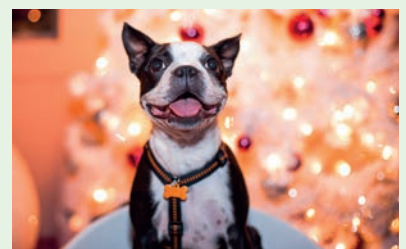

<https://thegableseasteregg hunt2021.eventbrite.com.au>

## Christmas competition

Thank you to all the amazing residents in this community who participated in our Christmas Lights and Pet competitions! We apologise for anyone who missed out on getting their home photographed, the photographer was impacted by the Northern Beaches lockdown and could not travel out after the first night to get more shots!

We look forward to seeing Christmas lights brighten The Gables again in 2021!

## LLGA

Live Life Get Active, our FREE exercise classes are continuing in 2021 in Slidey Park. We have had many residents express how much they are enjoying these sessions. If you haven't gone, give it a go! Classes are located in Slidey Park at 7am, Monday-Friday (school holidays excluded).

Classes will consist of HIIT classes without weights or other props to align with Covid-safe practices.

.....

**To enrol, please visit this website ([livelifegetactive.com/location/nsw-sydney/box-hill-slidey-park/](https://livelifegetactive.com/location/nsw-sydney/box-hill-slidey-park/)) and register.**

**Spots are limited so be quick!**

.....

## Flow Systems, now 'Altogether'.

**As most residents are aware, Flow Systems has now become 'Altogether'. Please see below message from Altogether.**

We are excited to officially announce that Flow Systems and Meter2Cash is now 'Altogether'!

Although our name has changed, our commitment and service to you has not. We are continuing to work hard to create systems that underpin what you, our communities, need to give you power and control over your utilities.

### **A reminder about what is the same:**

- All existing contracts, accounts and billing agreements will remain the same, however future correspondence from us, including bills, will be branded Altogether
- Phone number will remain the same – 1300 803 803 – and you are welcome to send an online enquiry via the following link [altogethergroup.com.au/contactus](https://altogethergroup.com.au/contactus)

### **What is being enhanced:**

- The Flow Systems and M2C websites now redirect to a new, user friendly Altogether website: [altogethergroup.com.au](https://altogethergroup.com.au).

We are excited about the future and look forward to continuing our sustainable multi-utility journey 'Altogether'.

## Let's keep in touch

We look forward to meeting you at our community events when we are able to resume normal communal activities. In the meantime, please reach out to [customer-careteam@stockland.com.au](mailto:customer-careteam@stockland.com.au) if you have any questions.

To ensure you receive updates and community news, please sign up to our residents mailing list.
