### CAMPBELLTOWN MAYOR JOINS WILLOWDALE HALLOWEEN FESTIVITIES

Campbelltown Mayor Cr George Brticevic joined hundreds of fairies, ghosts and friendly ghouls at Stockland Willowdale's annual Halloween market yesterday.

Mayor Brticevic welcomed a record 2,000 plus local residents and members of the wider community to Willowdale's free 'spooktacular' Halloween markets. The markets featured a 'spooky selfie' photo booth, kid's craft stations, face painting, a jumping castle and a range of sweet treat food stalls. The team from local radio station C91.3FM was also on site with treats for residents.

Stockland Willowdale Project Director, Sophie Ale said: "It was exciting to see the wider community come together to celebrate and enjoy the Willowdale Halloween markets. It is one of the most popular events on our social calendar with local residents, and families from surrounding communities, flocking to Willowdale for an afternoon of light-hearted fun. It is a testament to the welcoming community atmosphere at Willowdale."

Local Willowdale resident, Nusat Chowdhury said: "Events like Halloween are great for the community. I really like the options we have available, it makes Willowdale a really enjoyable place to live."

Willowdale is a 350-hectare community in Sydney's south west, and has an internationally recognised 6 Star Green Star – Communities rating for its world-leading design excellence, innovation and environmental stewardship as well as future economic prosperity and liveability.

Residents have convenient access to a range of shops, services and parks including a retail centre with a Coles supermarket and 12 speciality stores, 40 hectares of green space including five playgrounds, a basketball court, walking and cycle tracks, a future Goodstart Early Learning Childcare, a future public primary school as well as Willowdale Community Place.

Willowdale is located 15 kilometres from Liverpool, is close to major road links such as the M5 and M7 motorways for ease of access into Parramatta and Sydney Airport, and the community is a short, five-minute drive to the new Leppington Train Station.
