

Your place for community

Enjoy good times in the great outdoors

Two exciting new parks have opened at Willowdale with both locals and visitors making the most of the facilities on offer, including state-of-the-art playgrounds, picnic shelters and barbecues.

Hundreds of people joined us in November for the opening celebrations for our 2.9 hectare Willowdale Park, located on the corner of Baden Powell Avenue and Jamboree Avenue.

The regional park is quickly becoming a favourite spot for families to picnic, play and relax and includes a double 40-metre flying fox, water play area, children's bicycle challenge area, cubby house, kick-about areas for ball sports, picnic shelters, barbecue facilities and a terraced amphitheatre.

Jamboree Park, which you can find at the end of Jamboree Avenue, is perfect for budding palaeontologists who can dig for dinosaur bones in the sandpit. There's also climbing equipment with slides and swings, a bike and scooter track, two skate walls, a picnic area and a large lawn area for ball play.

Both parks are perfect for getting outdoors and active – we hope you enjoy them!

Fun times ahead at Willowdale

It's shaping up to be a busy year at Willowdale with plenty of fun events already planned for the coming months, from kids sporting sessions to family movie nights.

Our activity calendar has something for everyone and March is no exception, with highlights including yoga, tangled yarns, watercolour and wine, cake decorating and community sport.

Key dates include a Community Planning Forum on March 8 and a Movie Night for the family at Willowdale Park on March 18.

The Community Planning Forum is an important night for the Willowdale community and we encourage you to come along and have a say in the programs and services that are on offer through Willowdale Community Place.

This is a great opportunity for you as a resident to shape your community, as well as get to know your fellow residents!

For more information on the Willowdale activity calendar, visit Willowdale Community Place at 93 Jamboree Avenue or head to the Willowdale Facebook page at www.facebook.com/willowdale2565.

Don't forget to check our Facebook page regularly for updates on community news and events. You can also follow our Link & Learn NSW Facebook page www.facebook.com/linkandlearnnsw for details on specific events.

VIPs attend official opening

Our official opening of Willowdale Community Place last year was a huge success.

Special guests including NSW Environment Minister Mark Speakman, Green Building Council of Australia (GBCA) Chief Executive Romilly Madew, Campbelltown City Council Mayor George Brticevic, and Andrew Whitson, CEO Residential at Stockland.

As one of the most sustainable project homes ever built in Australia, the official opening was a chance for us to showcase the 8 Star NatHERS rated home which features many simple and affordable ways to save energy, water and waste and improve liveability.

Willowdale Community Place helped Willowdale achieve a 6 Star Green Star – Communities rating from the GBCA, which was officially recognised on the day with a special certificate presentation by Mr Madew.

If you're interested in building a more energy efficient home, take advantage of Willowdale Community Place's free tours or book into a

free one-on-one sustainability session by contacting Camden Community Connections on 4647 1283.

Free fitness sessions are back

Get fit and meet new friends with our free outdoor health and fitness program at Willowdale, coordinated by Live Life Get Active.

Now in its second year, the fitness sessions are held Monday to Friday at 6am during

school term at the Willowdale Sales and Information Centre.

The yoga, boxing and cross training classes are available to residents and visitors from surrounding areas.

This is a great opportunity for you to improve your health and fitness, meet your neighbours and keep those New Year resolutions!

To book your spot, head to the Live Life Get Active website at www.livelifeggetactive.com

Elevated lots coming soon

We are excited to announce that our brand new precinct, Willowdale Heights, will soon be launched.

This beautiful precinct is ideally located in the elevated Scenic Hills area of Willowdale and will feature a wide range of flat and split-level home sites.

Our popular family-friendly community is growing every day, with more than 600 families now calling Willowdale home.

To find out more details on our upcoming land releases, feel free to drop into the Willowdale Sales Centre or email us at willowdale@stockland.com.au

This newsletter is based on the intention of, and information available to, Stockland as at the date of this newsletter. Information contained in this newsletter may change due to future circumstances.
