Roadworks at Denham Court Road

On 20th February we held an information evening for our residents to discuss the Denham Court Road upgrade works expected to commence mid-2019. The upgrade will involve the widening of the road from two lanes to four lanes, an intersection constructed at Pennyroyal Boulevard and Denham Court Road, two new bridges crossing the Upper Canal and a roundabout providing access to Commissioners Drive.

We appreciate the works will disrupt the current traffic arrangements and will continue to update you about any upcoming changes that could affect you.

If you have any concerns before or during construction, please call **1800 240 009** or email **denhamcourtroad@elton.com.au** at any time.

Close proximity to hospitals, medical centres and the village's visiting GP allow Jim and Jill to have peace of mind.

"We have an emergency call, and we know that if anything happens to us, all we have to do is press the button," Jill said.

The pair enjoy the active and social lifestyle at Willowdale Retirement Village and are now the envy of their younger friends and family.

"Other people we know are jealous of us, that they're not old enough to come here, because you have to be 55 and over," Jim said. "We are very lucky, and we thank Stockland. Stockland has been fabulous."
