

What's on at Willowdale

Stage 2 of the bushland regeneration is complete.

Construction Updates

You will have noticed the beautiful regenerated bushland behind Jamboree Ave (see photo above). We are now working on creating a similar green space in stage 3 of our bushland regeneration program to the rear of the community along Willowdale Drive behind Commissioners Drive. We hope you are enjoying the brand new walking paths, exercise stations, edible plants and picnic areas all winding around a peaceful new lake amongst remnant eucalyptus. Over the coming months you'll see us working hard to provide more picnic areas with shade structures, exercise stations, walking and cycling paths and a viewing deck. It's all part of our plan to provide you with a community where you and your family can grow and thrive in the outdoors.

We continue to work with the council on gaining approval for development of the sportsfield. We are aiming to progress to construction late 2020 so that we provide a field for your enjoyment in late 2021.

Halloween was a hit!

We loved watching you have Spooktacular fun at Willowdale's annual Halloween Celebration! On Thursday 31st October at 4pm hundreds of locals gathered to enjoy the free kids craft zone, face painting, a jumping castle and the spooky selfie photo booth! Special thanks to Cr George Brticevic for coming along to help our warm and friendly community celebrate Halloween the Willowdale way!

Little Joseph had a great time at our annual Halloween event.

Stay connected at Willowdale

Learn, connect, exercise and play at Willowdale Community Place.

Located on Jamboree Ave, just opposite the park, choose from a range of activities from WillowKids group, Willowbabies group, yoga, Zumba, book club, music lessons and more. All are co-ordinated by our friendly Community Facilitator Leanne. Come and meet your neighbours. Share your thoughts and make some friends in a safe and welcoming environment.

If you'd like a say in what events and activities we offer at Willowdale, join the Steering Committee. Call Leanne on 9606 2229.

Denham Court Road update

Early works have now been completed. The following works are scheduled to occur over the next few months:

- Temporary pavement construction to be completed adjacent to 335 Denham Court Road;
- Commence construction of stormwater drainage lines;
- Commence construction of sewer and water mains;
- Continue construction of the first bridge over the Upper Canal;
- Commencement of earthworks towards the Jamboree Avenue end of the road upgrade.

There are some changes to traffic conditions while this takes place. For full details please visit our website. Tap the link at the top called 'Life at Willowdale' and select 'Your Willowdale' from the drop down.

We will keep you updated as the work progresses. Should you have any questions or concerns in relation to these works, please do not hesitate to contact:

Fun, free fitness continues at Willowdale

Live Life Get Active Willowdale is now made up of a massive 520 members! Ranging from 18-75 years of age, these fun, free fitness classes are offered every week to the Willowdale community to help you fight common health concerns like diabetes, depression, anxiety and high blood pressure.

This term we recorded a 36kg weight loss and 55cm from the waist!

The Live Life Get Active team are focusing on the things that matter to you. This incredible group are currently working on stress from work and feelings of social isolation. Thanks to Ranika for sharing your thoughts about the group.

“Thank you to Stockland for putting on these fitness sessions. If these weren't on, I wouldn't be motivated to exercise as much as I am now. Overall my fitness has improved. I feel good about the way I look and made a few friends by attending these camps. I've lost 8kg and feel good about my body and confident that I can face whatever the day brings.”

To become a member and take advantage of these completely free classes, visit our website and head to News & Events or register directly at **lifelifegetactive.com**, hit 'register' on the top right and select 'Willowdale' as your preferred camp.

Ready Steady Go Kids was a fantastic fun,

multi-sport program we offered to Willowdale kids aged 2.5-6 years in term 4 this year. By popular demand we will be bringing it back to Willowdale for Term 1 in 2020!

Head to the website for more details and follow us on facebook to be the first to know. Places are limited so be quick!

Meet the residents

After 45 years of living in a large, two-storey family home in Chipping Norton on a big block of land, retirees Michael and Robyn Mariner decided the time had arrived to sell up, upgrade their lifestyle, and enjoy the many benefits of moving to a retirement village.
