A range of free events aimed to make home a little sweeter will be hosted by Stockland's Willowdale community next month.

Celebrity appearances, cooking demonstrations, design workshops and giveaways will be on offer to locals keen to make their homes 'Insta-worthy'.

On Saturday, 9 February, special guests Kyal and Kara from Channel 9's *The Block* and Network Ten's *The Living Room* will kick off Willowdale's Sweeter Home Lifestyle event with a home styling workshop.

Experts from Jamie's Ministry of Food will hold live demonstrations and there will also be dog obedience training on the day. The kids can enjoy free craft workshops, rock climbing, face painting and more.

On Wednesday, 13 February, locals are invited to join Willowdale's home finance workshop for tips on how to navigate the property market and get the best deal on finance. Guests are guaranteed to leave armed with knowledge.

With limited places available for each event, visitors are encouraged to register at www.stockland.com.au/residential/events.

Stockland's Home Sweeter Home Sale is making it increasingly easier for first home buyers, families and downsizers to get into a new home by offering savings of up to \$20,000 on land, plus up to \$100,000 in building bonuses from 14 January to 3 March.

Richard Rhydderch, Stockland General Manager, NSW Residential Development, said that the significant savings on offer helped to make building a new home even more affordable for a wide range of customers.

"Stockland continues to lead the way with its highly liveable masterplanned communities which provide affordable, quality homes designed by our expert builder partners to suit people from all walks of life," Mr Rhydderch said.

"With a potential saving of up to \$120,000 currently on house and land packages, this exciting offer provides even more value for money and a great opportunity to secure a dream home."
