

Our place for community

Nirimba is coming to life!

Aura's second suburb continues to grow and is now home to a café, two playgrounds and a dog park.

Nirimba is now home to 1500 residents, and welcoming new residents every week. The Fig Tree park on Annalise Circuit and the Island Park on Frederick Street, are sure to provide children with plenty of fun and adventure. The Dog Park on Annalise Circuit is also proving to be incredibly popular with our local doggo's, but please remember to clean up after your dog.

For anyone looking for great coffee and delicious food then child friendly café, Mummy's, owned and operated by a local family is sure to deliver. They even have a fenced play area for little ones so you can sit back and truly enjoy your cuppa.

Construction on the Sports Park is also due to begin shortly and will be a great addition to this thriving suburb.
