

Your Aura Community Update

Free fitness classes are here - kick your fitness goals at Aura in 2018!

At Aura, we're passionate about health and wellbeing and committed to helping our residents live life and get active!

Free outdoor fitness classes, co-ordinated by the Live Life Get Active

initiative, will start at Aura in February for residents of Aura, Bells Reach and Bellvista. Classes will include yoga, cross-training and boxing and are tailored to all fitness levels.

Sessions will run Monday to Friday mornings in the Pedal Park on the corner of Steiner Crescent and Marybell Drive - keep an eye on our Facebook page for confirmation of session times. Once times are released you can register at lifelifegetactive.com - all classes are free but places are limited.

Baringa State Primary School opens this month

Enrolments are still open before Term 1 commences on Monday 22nd January.

Outside School Hours Care (OSHC) will also commence from the 22nd - a Parent Information Session will be held on Tuesday 16th January at 6pm in the Multi-Purpose Hall at the school.

For more information visit baringass.eq.edu.au

Bellvista Boulevard duplication works update

The duplication works are progressing well, with the focus for the past month on the elements of the project that result in the most disruption to traffic movements.

However due to rain events in early December, the on-road works which were scheduled to conclude prior to the return of school may extend into February.

We encourage residents to utilise the Bells Creek Arterial Road (via Baringa) when accessing Caloundra Road during peak times.

Free kids sporting classes coming to Aura in February

Ready Steady Go Kids is Australia's leading multi-sports program for kids aged 2.5 to 6 years

The physio-designed program teaches kids the fundamentals of 10 different sports and develops essential motor skills in a fun, non-competitive environment.

Classes run for 45 minutes, with 5 sports covered per term. Parental participation in classes is encouraged and invited!

Classes will start on the 3rd of February from 3pm-4pm and will run fortnightly in the Pedal Park on the corner of Steiner Crescent and Marybell Drive.

Sessions are free but registration is necessary as places are limited - for more information and to register, visit the Aura news and events page at stockland.com.au/aura

What's happening at Aura this summer

Parks, parks and more parks

Frog Park, located just off Banks Crescent, will open to the public at the end of January.

Based upon feedback from our residents Frog Park will be a more intimate space for local families, incorporating play equipment most suited to little members of the family.

The great location next to Lamerough Creek conservation area makes Frog Park the perfect spot to enjoy a family picnic or some quiet time in the sun reading a good book and relaxing.

Also completing in early 2018 is the Sports Park on Baringa Drive, featuring 3 soccer fields and a clubhouse which will be operated by Sunshine Coast Council.

The Aura Team are busy working to build another three fantastic parks in Baringa in 2018 - these will include play equipment for ALL members of the family (including mum and dad) - keep an eye on our Facebook page for updates.

Main St, Baringa

Baringa's Main Street (officially named Edwards Terrace), will open to the public in 2018. The opening of this street is the first piece of the Baringa Town Centre and creates the opportunity for construction to start on the Town Square and shopping centre in 2018.

Aura Business Park update

Construction has commenced on the Business Park and the first stages are selling well. The first businesses are anticipated to open by the end of 2018.

Community events

We have an exciting calendar of events and openings planned for 2018 - keep an eye on your inbox or our Facebook page at facebook.com/auraql to stay up to date on what's happening!

Izba Cafe to reopen at Bells Reach

We're excited to announce that the much anticipated Izba Cafe is reopening at Bells Reach!

Pete and the team will be back on deck in February serving hot and cold drinks and a mouth-watering breakfast and lunch menu.

The new cafe will be housed in a converted shipping container overlooking Quinn Park and will be open 7am-3.30pm 7 days a week.
