NIRIMBA

You are invited...

...to our exciting Thrive Launch Event

As a Thrive VIP, you are invited to an exclusive Twilight Event to celebrate the launch of Thrive Nirimba, Stockland's first lifestyle community designed for the over-50s.

A treat for all your senses

You'll be welcomed with the sounds of live music and treated to a selection of locally-sourced grazing platters, matched with premium wines and beers, to tantalise your taste buds.

See the homes in all their glory

Then you can take a tour of our two newly-opened, stunning display homes, with Stockland representatives on hand to answer any questions you may have.

Will you be our lucky winner?

At the end of the evening, everyone will be presented with a beautiful gift hamper, plus one lucky VIP will take home a unique piece of art painted on the night by one of our artists.
