

# My place this Spring

## Cloverton Community Grant Winners 2017

Stockland are pleased to announce the 2017 Community Grant winners for our Cloverton Community:

**Beveridge Riding Club Inc., Kalkallo Fire Brigade, and Whittlesea Horse & Pony Club.**

Each organisation won a \$1,000 grant to put towards equipment, facilities and services to help make their organisation a better place for the community.

If you would like more information on the Stockland Community Grants program or would like to be kept up to date with the details of the 2018 Stockland Community Grants program, please register your interest at [stockland.com.au/communitygrants](http://stockland.com.au/communitygrants)

## Display Village Launch a great success

**Cloverton was the place to be on Saturday, September 9, with more than 1,200 people turning out for a colourful spring event.**

The main street of the Cloverton Display Village was decorated with bright balloons and pink Japanese Cherry Blossom trees for the free event which featured street performers, an animal petting zoo and tasty refreshments.

Other activities included gardening tips, pottery and hula hoop workshops, while youngsters revelled at the chance to get up close with animals in a petting zoo, have their faces painted and play in fairy gardens and super hero caves.

The Cloverton Display Village, features 23 brand new homes showcasing the latest in contemporary home designs from leading local and national builders.

Explore the homes yourself this weekend! Cloverton Display Village – located on Design Way, Kalkallo, VIC.

### Did you know that Cloverton has its own community Facebook page?

The Cloverton Facebook page is a great place to come for updates, local news and information about upcoming events. It has been created by Stockland to help residents, businesses and the wider community make themselves at home at Cloverton.

We also love sharing beautiful home styling ideas from our builder partners so be sure to 'like us' if you love interior design.

Find us now – search for @ClovertonVIC on Facebook.

## New playground opening April 2018

**The rich cultural history of Cloverton has inspired the design of an exciting new park which is currently being built on 7,700 square metres on Dermody Avenue, at Cloverton.**

The design of the park will feature active and passive play elements that tell the story of the Wurundjeri people, who are the traditional owners of the area and link the landscapes of Merri Creek and Bald Hill.

The highlights of the new play space include a fish trap net which children can climb through and multi-purpose sporting goals.

Meanwhile, sheltered picnic spots with seating will provide more tranquil spaces where residents can socialise or simply relax within the natural setting.

The park, which is being built adjacent to a reconstructed wetland environment located in the ecologically sensitive Merri Creek conservation area, will have a viewing platform for people to observe the aquatic bird life that will be attracted to the area.

The park is anticipated to open to the public in April 2018.

### Live Life Get Active at Cloverton

Live Life Get Active is a social initiative that looks to build a fitter, healthier and happier Australia.

FREE fitness classes run weekdays during the school term, located on the grassed area near the Cloverton Land Sales Centre on Design Way, Kalkallo.

Monday, Wednesday & Friday  
9.30am - 10.15am Active X Training

Tuesday & Thursday  
9.30am - 10.15am Active Boxing

Register for the Kalkallo classes at [lifelifegetactive.com](http://lifelifegetactive.com)

### Connecting at Stockland's Community Information Night

Current and future residents gathered on Tuesday 26th of September at Cloverton Sales & Information Centre to meet and greet their new neighbours and hear development updates from Stockland and also upcoming activities and services within the area.

Residents relaxed and enjoyed some delicious pizza whilst listening to some exciting speakers including:

Steve Morriss, CEO and founder of Circular Food, a social enterprise with a mission of helping professional and urban farmers, and serious gardeners increase plant yield by improving their soil health, spoke about reducing waste and regenerating soil for our garden enthusiasts.

Jennifer Smith, a member and coach at Beveridge Riding Club Inc. for over 20 years and Stockland Community Grant Winner 2017, spoke about teaching kids and adults how to care, maintain and have fun with horses and ponies.

Noel Seipolt, president of Donnybrook Cricket Club, did a presentation on how to join up and get involved in both the junior and senior cricket teams.

Mark Ham, Stockland Development Manager and MC for the evening, gave a brief summary on Stockland's Live Life Get Active program which is a free initiative for Cloverton residents to partake in outdoor fitness classes.

If you couldn't attend this session, please keep an eye out on the News and Events page of the Cloverton website for details on the next information night.

Alternatively, find us on Facebook. Search for @ClovertonVIC.
