## Construction update

Lots is happening at Edgebrook. Be sure to check out our latest drone footage of the community here: [bit.ly/drone\\_update](https://bit.ly/drone_update)

Plus, you can now track the progress of your lot anytime through our online construction tracker: [bit.ly/construction-tracker](https://bit.ly/construction-tracker)

### Central Park:

Detailed design has been approved by council. Construction of Victoria's first park specifically designed for children within the Autism Spectrum Disorder and all abilities is anticipated to start over the next few months. The park will contain a playground, BBQ facilities and toilets.

### Tuckers Road:

The Tuckers Road Intersection has reached Practical Completion and is now open for public use. The road and intersection allows entry into the western portion of Edgebrook.

### Stages 7 and 8:

The construction of both Stage 7 and Stage 8 is now complete and has achieved registration.

### Stage 9 and 10:

Construction of Stage 9 is progressing well; with all concrete works and electrical works now complete, final audits will be commencing. Anticipated registration for Stage 9 is August 2019.

Stage 10 has now commenced construction, with bulk earthworks now underway.

### Clyde Creek:

Civil construction of Clyde Creek is nearing completion and expected to finish in August. Two shared paths that run either side of Clyde Creek are currently under construction. Landscaping of the creek will commence early 2020.

## Our newest residents

We welcome Jessica and Jacob to the Edgebrook community! They have excitedly purchased in The Banks village and will look to commence construction of their first home shortly. Congratulations!

## Community information night

Stay tuned! Our next community information night will be held in the coming months. The event will provide an update from our construction team and look to seek feedback from residents for future community events within Edgebrook.
