Eucalypt

My place to call home
Eucalypt is not just any old place. It’s a special place.

For over 60 years, we’ve been creating places that meet the needs of our customers and communities. And for years those customers and communities have been growing, adapting, sharing and changing our places into their places. Eucalypt is proof that this unique approach works.
Ten reasons to make Eucalypt my place

01. JUST AROUND THE CORNER FROM EVERYTHING
At Eucalypt you have the best of Epping just five minutes away. This includes a range of primary and secondary schools, Epping Metropolitan Train Station, the shops and cinema screens at Epping Plaza and the Northern Hospital which is one of Melbourne’s major acute treatment centres.

02. A PLACE WITH AMAZING EDUCATION
Eucalypt’s planned on-site primary school will add to the area’s existing childcare and educational facilities. Two childcare centres, three primary schools, three secondary schools and an NMIT campus are just five minutes’ drive away in Epping.

03. SURROUNDED BY NATURE
With the three hectare River Red Gum Reserve, extensive parklands and scenic wetlands all connected by a network of bike and walking paths, Eucalypt has many open spaces close to home for your family to enjoy together.

04. OPTIONS TO SUIT EVERYONE
Whether you’re looking for extra space for your growing family or a home design that suits your lifestyle, Eucalypt has options to match your tastes and budget. Settle down with a park outside your front door, move up the hill to enjoy fabulous views or live beside Findon Creek. The choice is yours.

05. A PLACE THAT IS CONNECTED
Just minutes from Epping and close to the bright lights of Melbourne, Eucalypt’s new home sites and house and land packages are easily accessible and close to everything you need. Eucalypt residents live five minutes from the Hume Freeway, 10 minutes from Epping Metropolitan Train Station or South Morang Railway Station, 30 minutes from Melbourne Airport (Tullamarine) and less than an hour from St Kilda beach. The Melbourne CBD is only 27km away.

06. A PLACE WHERE YOU CAN FEEL SAFE
At Eucalypt you will find neighbours just like you, who are proud of their home and feel safe within it. Eucalypt’s vibrant parks, playgrounds and cafés make this an active community where neighbours go about their daily activities while also looking out for one another.

07. A PLACE WITH A COMMUNITY
At Eucalypt we love getting the community together through Stockland’s free Link & Learn program. Residents are welcome to join a fortnightly activity class or try our regular community events. In the past year Eucalypt events have included fitness classes, first aid courses, a veggie garden workshop and community celebrations at Christmas and Easter. We encourage current and future residents to connect through the Link & Learn North Facebook page.

08. A MODERN PLACE TO CALL YOUR OWN
By choosing to build your new family home at Eucalypt, you can be confident that you are setting yourself and your family up for the future. Stockland’s design guidelines and careful community planning will help protect your investment and make this a community you will always be proud of.

09. A PLACE TO BE INSPIRED
Living here means making your brand new dream home a reality. A selection of 20 display homes by some of the region’s finest builders are open for inspection at Eucalypt, where you can speak to experts who know how to design and deliver the perfect home to suit your family’s lifestyle.

10. YOUR SUSTAINABLE FUTURE
Like all Stockland’s residential communities, Eucalypt has been carefully planned to be a sustainable and vibrant place to live. It features an extensive native planting program, the latest water cycle management systems, protected wetlands and the three hectare River Red Gum Reserve, where local flora and fauna can thrive. Stockland works closely with our builder partners to ensure new homes are more energy and water efficient.
