

# Your Grandview Community Update

## Grandview Development Update

### Construction Commenced

Construction is well underway on Stages 1 and 2 with bulk earthworks now complete. Sewer and drainage is currently underway in Stage 1 where we are making good progress. Sewer has commenced in Stage 2 with drainage to follow in January 2019.

### Display Village

Grandview's future Display Village will be located within Stage 1, in convenient proximity to the Grandview Sales Office. The Display Village will include 12 display homes and is anticipated to open in May 2020.

### Stockland's Safety Week award

Rokon, Grandview's civil contractor, recently won Stockland's Safety Week award for sharing what safety means to them during a fortnightly site meeting with the project team. The most common answer was "everyone getting home safely to their family". Safety is a top priority for Stockland, and the Grandview team are proud to be ensuring that our contractors return safely to their homes after working hard to prepare our customers' future homes.

### Greigs Road External Infrastructure Works

A number of external infrastructure works are currently underway along Greigs Road, and will continue in early 2019. Stockland will ensure safe and convenient access to our Sales Office during these works.

## Want to explore the future Grandview community?

Have you stopped by our Sales Office recently? Grandview showcases market leading, interactive 3D digital maps that enable you to explore our future community in exceptional detail, providing you with amazing insight into what our community will offer.

Get a true sense of what Grandview has to offer at 317 Greigs Rd, Truganina.

## Q&A with Michael from the Grandview sales team

Q: How long have you worked at Stockland?  
A: Close to 7 years.

Q: Have you bought with Stockland before?  
A: Yes, at Highlands in Craigieburn.

Q: What is your favourite food?  
A: Burgers for sure!

Q: What's the best single day on the calendar?  
A: 11th November - my birthday.
