# You've found your Haven

**Smart design for low-maintenance living.**

Stockland design studio, along with award-winning SJB Architects, have created a range of townhomes designed for a fast-paced, modern lifestyle, just 11km\* from Melbourne CBD and within easy reach of the coast.

Combining cutting-edge, sustainable features with open, flowing living spaces and high-quality inclusions, everything you need is in place from the moment you move in.

1. Architecturally designed facades comprised of brick with a selection of timber panel, metal cladding and fibre cement cladding
2. 1.5Kw solar system
3. Powder-coated aluminium framed windows
4. Painted semi-solid core door
5. Fully landscaped front garden and private open space
6. External LED light to front entrance
7. Letterbox

Where the  
*magic* happens

Quality appliances, classic finishes and smart storage solutions create the perfect backdrop for your culinary adventures, and the island workbench makes for the perfect area to sit around and chat while you're dishing up.

1. 20mm reconstituted stone top bench
2. 600mm Fisher and Paykel built in oven and gas cooktop
3. Fisher and Paykel integrated rangehood
4. Laminated joinery and soft close drawers
5. Overhead cupboards for extra storage
6. Tiled splashback with mirror strip
7. Double bowl stainless steel under mount sink
8. Island bench overhang for barstool storage
9. Feature LED track downlights
10. Water connection behind fridge
11. Pantry

# Treat yourself to a little *luxury*

The clean lines and practical design of the bathroom make for a relaxing sanctuary that requires next-to-no maintenance. With dimmable LED downlights, chrome finishes, a contemporary toilet suite and a back-to-wall bathtub, what’s not to love?
