## Stockland Melbourne Wheelchair Tennis Open

Stockland was proud to support the 2020 Stockland Melbourne Wheelchair Tennis Open for the third year in a row. Located at the Hume Tennis and Community Centre, the tournament saw 71 of the world's best tennis players congregate at Highlands for the 4-day competition.

The Hume Tennis and Community Centre also had an Australian Open live site during the competition, making it the perfect location for front row seats.

### Future-proof your home for the next decade

To celebrate the new decade, Stockland partnered with Boutique Homes for an interior design workshop on how to future-proof your home for the next decade. Boutique's interior designer hosted the event with 25 locals learning tips while getting to know like-minded community members over coffee.

### Green Leaves Early Learning Centre Highlands Opens

The new Green Leaves Early Learning Centre opened in mid-January, welcoming many Highlands' families to their amazing facility. Children can enjoy culinary lessons, puzzles, sports and yoga lessons while, of course, making friends and socialising. If you are interested in checking out the centre, you can book in for a coffee and tour at [greenleaveselc.com.au/centre/Highlands](https://greenleaveselc.com.au/centre/Highlands)
