## Construction update

### Stage 1:

Ground has broken within the first stage of Minta as we celebrated the official commencement of construction in May. Stage 1 is expected to be completed early 2020.

### Soldiers Road:

Constructions works are currently underway for the Soldiers Road upgrade. These works are designed to mirror off-street parking on the opposite side of the road, with expected completion early 2020 in conjunction with Stage 1.

## Over 200 lots sold at Minta!

We are delighted to announce that we reached our 200th sale milestone in June!

At Minta, we love to bring friends and family together. We recently welcomed Hari to the community, who went on to refer 6 other friends! They are all no doubt excited on this next step in their property journey, but even more thrilled to be experiencing this together. Congratulations and welcome to the Minta family!

If you've purchased in Minta and want to refer a friend or family member, make sure you speak with one of our sales consultants as you might be eligible for a \$1,000\* Visa gift card!

\*T&Cs apply.

## The latest in home design

Now that you've purchased at Minta, you might be thinking about the type of home you'd like to build. Nearby Stockland community, Edgebrook, recently launched their Display Village which showcases a variety of homes from some of Victoria's leading homebuilders. Located on Merribrook Boulevard and Adriatic Circuit in Clyde, be sure to visit and take a look for yourself! You can check out our video series and see a full list of the open displays homes by following this link: [bit.ly/2XMG5ur](https://bit.ly/2XMG5ur)

## Follow us on Facebook

New to the community? Stay informed with events, community updates and local news by following @Stockland Minta on Facebook. Future residents Alex & Sheree have also set up a Facebook group called Minta Estate Residents Community Group to welcome everyone and make it easy to connect.

## Your Voice

Here at Minta, your voice matters. If you have any ideas that will help shape our community, from event options to features you want in our future park, feel free to email the team [minta@stockland.com.au](mailto:minta@stockland.com.au).

We'd love to hear from you!
