

# Your Minta Community Update

## Over 100 lots sold at Minta!

### We are thrilled to announce we have sold over 100 lots at Minta!

Reisha from Berwick was the lucky 100th customer and chose to buy at Minta because of the community's sustainability standards and Stockland's commitment to every residence having solar panels was a major factor influencing their buying decision.

"Ten years down the track I want to be living in a place that has a positive impact on the environment, our kids and us as well." - Reisha

## What's happening at Minta

We are on track to commence construction on our first stages of Minta in May. We are also beginning design works on the Hilltop Park and Bells Road. Minta will be rolling out some exciting innovative initiatives across the site which we hope to share more information on in the coming months.

## Minta Community Information Session

Thankyou to everyone who attended our first community information night on Thursday, 4th April!

The event was a great success, with future residents given the opportunity to 'meet their neighbours' and receive a development update from the Minta team. Attendees were also able to hear from OptiComm and have any of their fibre network questions answered.

If you were unable to attend or have any questions about all things Minta, simply follow us on Facebook or email [minta@stockland.com.au](mailto:minta@stockland.com.au)
