Bring the lifestyle you've imagined to life

Minta's masterplanned community offers the best of both worlds – harmonious living with urban connectivity. Walk the kids to school admiring the native fauna and birdlife, or catch up with friends in one of the many lush parklands. And with just a short commute to work, there's plenty of family time with the ultimate work-life balance.

Bathroom heaven

Our bathrooms are thoughtfully designed for minimal maintenance with added luxuries. You'll be spoilt for storage options, with under-bench drawers and an additional mirrored shaving cabinet for all your personal items.

The Stockland way. Our simple process.

We will guide you through our easy-to-understand purchaser process so you can start dreaming of moving into your new home with no hidden surprises.

1.

Choose your home and pay your deposit

Choose your home with the design that best suits your needs, with help from our Sales Professionals. They'll take you through such things as:

- Floor Plans
- Specifications and inclusions
- Colour schemes
- External facades

Once you've chosen your home, you will need to provide a deposit when you sign your contract. The remainder of the purchase price will be payable at settlement, giving you more time to save.

2.

While your home is being built

Our Customer Relations team will provide you with regular updates on the construction of your home and will be available to answer any questions you have during this exciting journey. We will make an appointment for you to inspect your home shortly before settlement.

3.

The settlement process

Settlement of the balance of the purchase price will be required at the completion of construction. A Stockland representative will arrange for settlement with your conveyancer.

4.

Moving into your new home

On the day of settlement, we will welcome you to your brand-new home, give you your keys and a guide to your new home. After you move in, we will continue to answer any questions and assist where possible as you settle in.

We believe there is a better way to live

Developer – Stockland

Stockland has been creating places that meet the needs of our customers and communities for over 60 years. Throughout this time, our customers and communities have been growing, adapting, sharing and changing our places into their places.

That sentiment has made us into Australia's leading property group with places as diverse as residential communities, townhomes, apartments, retirement living villages, retail and more.

As Australia's leading developer of sustainability, we are committed to creating places that both optimise liveability and preserve the environment. The health and wellbeing of our residents is of paramount importance to us, and we aim to create places where communities thrive.

We make the places. You make them your own.
