Astor 43L by Porter Davis

Feature: Spectacular double storey void

The Astor 43L showcases a jaw-dropping double storey soaring void that naturally lights up the wonderfully spacious ground floor kitchen, family and dining areas. This unique feature creates an instant wow factor for family and friends alike. This spectacular feature is only available on a handful of Porter Davis designs, so we are excited to showcase this in our brand new Astor 43L design at Mt Atkinson.

Ashbury 30 by Henley

Feature: Grand servery window

Available as an upgrade, the grand servery window adds an abundance of accessibility and a unique visual appeal to the Ashbury whilst overlooking the alfresco area. On display at our four World of Homes display centres and soon to be on display at Mt Atkinson, it is the perfect addition to have for when you are entertaining guests.

Granville 29 by Carlisle

Feature: Separate kids' zone

The separate kids' zone in the Granville gives your children all the space they need! Whether they need a quiet place to study, a second TV to watch a movie, or a separate place to sleep while the parents entertain in the living area, this is the perfect zone for the kids.
