Frozen Garden Party for Display Village Launch

Almost 1,000 people turned out to celebrate the launch of the new Display Village at The Grove, Saturday 4th March.

Sunny skies greeted all who attended our Frozen Garden Party. The party launched our new display village with 17 brand new home designs, our new Sales and Information Centre with Little Growling Cafe and adventure playground!

Visitors enjoyed a variety of free activities, with something for the whole family to enjoy. Free activities included face painting, a jumping castle and Disney's Frozen Immersive Zone with Frozen character mask making and snow pit.

Among the visitors was Cricket Victoria's leading cricket player, Jon Holland, who came by for a hello and some happy snaps. Food trucks supplied yummy bites to eat, and the Little Growling Cafe was busy serving up barista-made coffees all day.

The Grove's Display Village was fully decorated for the event, with builders joining us in the spirit of the party with promotions and activities.

Construction Update: Davis Road

As many will know, we are currently in the process of upgrading Davis Road to an asphalt road with one lane in each direction.

Many will have noticed the upgrade works between Bethany Road and Hogans Road are currently underway and will be completed later this year.

We appreciate your patience while construction is under way, as Davis Road will be closed to traffic between Bethany Road and Hogans Road during this time.

The Grove Display Village

Take a look at The Grove's new Display Village. With 17 brand new homes to inspect from Victoria's leading builders, it's a great place for inspiration. Display Village homes are open 11am - 5pm, 7 days a week.

Davis Creek Landscape Works

Davis Creek Landscape works are on the way

Works at Davis Creek, north of Bethany Road will commence later this year following Council design approval. These landscape works are expected to be finished in autumn 2018.

Davis Creek works between Bethany and Hogans Roads will start in 2019, after civil construction adjacent to this section of the creek is finished.

When finished, Davis Creek will feature shared pathways along the west side of the creek, with fitness stations.

Davis Creek is a natural creek system designed to capture natural rainfall so water levels are dependent on rainfall.

Little Growling Cafe

The Little Growling Cafe, located within The Grove Sales and Information Centre, is now open!

You can now enjoy one of the best barista-made coffees in the region, right here at The Grove. Join us for coffee, a sweet treat or a yummy snack, Saturday to Wednesday, 7:30am - 4pm.

The Little Growling menu includes: Raspberry & White Chocolate Muffins, Halal Lamb Kofte Kebabs, Lamb or Feta Spinach Gozlemes and a wide variety of drinks, both hot and cold.

Banyan Park, located in between stages 10A and 10B has been designed around existing trees in the area.

The park will feature a treehouse themed playground and multi-use court.

A picnic area has been designed and orientated to take advantage of the Davis Creek viewlines.
