We have a fun filled day planned for such a special occasion. There will be a workshop where little ones can make their own wooden plane to take home, as well as other FREE activities including a balloon artist, face painters, games, prizes, in-flight snacks, a BBQ and much more. Parents will be well looked after at our 'First Class Lounge' which offers 3 minute neck and shoulder massages and barista coffee.

### ***Landscape works are nearly complete at Aeroplane Park***

The aviation themed playground, a design chosen by you, The Grove residents, will be the main attraction at Aeroplane Park.

This exciting new playground has been creatively designed to challenge, inspire and stimulate children's imagination. Features that help to achieve this include a cargo plane centre piece with slides and swings off the wings, front cabin loaded with tactile and manipulative play panels, basket swing, aviation themed rockers and a see-saw.
