

# My place this Winter

## Did you know that The Grove is home to some amazing parks?

*The recent opening of Aeroplane park has meant that The Grove now has three exciting parks, all within 1km of each other.*

### Aeroplane Park

Located on Stanhope Road (near Yellowfin Drive), Aeroplane Park features a huge cargo plane complete with pilot seats, slides, wings and cabin games. Enjoy aeroplane themed seesaws, a nest swing and a big kick-about space for soccer and ball games.

### Growling Grass Frog Park

Located at 180 Davis Road at The Grove Sales Centre and the Little Growling Café, the park is a nod to the Growling Grass Frog species that is native to the area. This park features super-high double slides, a flying fox, nest swing and in-ground trampolines.

### Banyan Park

Located on Banyan Way, this eye-catching treehouse-themed playground will not disappoint. With views to Davis Creek, the park has been designed around the existing trees in the area and features a large central treehouse cubby with viewing platforms, swings, a multi-use court, BBQs and a picnic area.

## Construction Update

### Sabha at The Grove

Ground has been broken within Sabha at The Grove. Works have commenced on the first residential stage's located on the western side of Davis Road.

### Davis and Hogans Road Intersection

This significant intersection is getting a signalised make over. Construction works to upgrade the intersection have commenced. The intersection will be closed while construction works are underway. We appreciate your patience while construction is underway. The intersection is anticipated to be complete mid-2019.

### Davis and Bethany Road Intersection

The Davis and Bethany Road intersection is also about to get a signalised make over, as works progress through Sabha at The Grove. We appreciate your patience while construction is underway.

### Davis Creek Landscape Works

We are excited to announce that works have commenced on the shared trail along Davis Creek. The shared path will be co-located to outdoor fitness stations enabling users to enjoy the best of Davis Creek.

## 2018 CARE Grants Awarded

The Grove is excited to announce that Williamstown Cricket Club and Wyndham Little Buddies Toy Library were the recipients of the 2018 Stockland CARE Grant Program. The \$1,000 they each received will assist with the delivery of their community-led programs and services.

Now in its fifth year, the Stockland CARE Grants program has donated over \$1 million to more than 1,000 community groups across Australia. More than \$270,000 has been awarded to almost 300 local organisations this year alone.

Thanks to all the local clubs, societies and associations who applied for the program. This program is part of Stockland's ongoing commitment to creating communities that thrive. Organisations that support the local community in the areas of health, education, community connection, carbon & energy, biodiversity, waste and materials and water are welcome to apply every year.

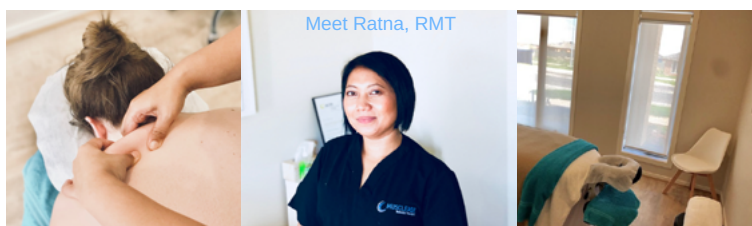

## Ratna, your local remedial therapist

Local resident at The Grove, Ratna is a professional Remedial Massage Therapist and owner of Musclease. Musclease was born out of Ratna's own neck pain. The pain she experienced encouraged her to seek help from a professional and ultimately complete her studies in Remedial Massage so that she could help others.

Ratna offers a range of remedial therapies including massage and hot stone therapy. If you are experiencing muscular pain, Ratna can help.

To book an appointment call **0433 523 558**.

Musclease is located at 394 Bethany Road, Tarneit.
