There's plenty of open space for exercise and a playground for your children and grandchildren to enjoy, bringing the community together to form lasting friendships.

# SMARTER LIVING

Waterlea leads the way in sustainable design, with the highest accreditation for liveability and sustainability.

Clever floor plan design, strategic shading and smart insulation mean you'll spend less on artificial heating and cooling.

While LED lighting, solar gas boosted hot water, a rainwater tank plumbed to the toilet and laundry, and electric vehicle charging in every home will help reduce your water, energy and fuel bills.

# HIGH PERFORMANCE HOMES

Across all its homes, Waterlea will achieve a minimum 6 Star NatHERS rating. With construction and layout designed specifically for Rowville, you'll be more comfortable year round - and reduce your carbon footprint.
