The Kingston | 4 2 2 | Suits 15m Lots

What's your idea of entertaining? Movie marathons or live sport in a 'secret' home theatre? Summer BBQs in your alfresco? Or playing host with your own private bar? It's all here waiting for you (and your friends) with The Kingston. With so much happening around the home, you'll also appreciate the more secluded zones with your expansive master suite and children's wing designed for when you need your own private escape. To keep family life in order, there's even a drop zone for bags as you enter the home.
