

# The Stockland way. Our simple process.

We will guide you through our easy-to-understand purchaser process so you can start dreaming of moving into your Wintergreen Two-Storey home with no hidden surprises.

## Choose your home and pay your deposit

---

Choose your home with the design that best suits your needs, with help from our Sales Professionals. They'll take you through such things as:

- Floor plans
- Specifications
- Inclusions
- Contracts

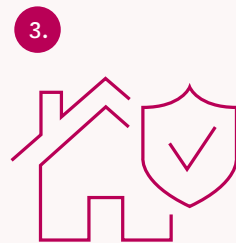

Once you've chosen your home, you will need to provide a deposit when you sign your contract. The remainder of the purchase price will be payable at settlement.

## While your home is being built

---

Our Sales Team will provide you with regular updates on the construction of your home and will answer any questions you may have during this exciting journey. The Team will make an appointment for you to inspect your home shortly before settlement.

## The settlement process

---

The balance of the purchase price will be required from practical completion when you are ready to settle. A Stockland conveyancing team representative will arrange for settlement with your elected settlement agent.

## Moving into your new home

---

On the day of settlement, we will welcome you to your brand-new home, give you your keys and a guide to your new home. After you move in, we will continue to answer any questions and assist where possible as you settle in.
