

LAND RELEASE PROCESS

1. BE ON OUR DATABASE

Register on the database for your chosen community to be eligible to participate in the release.

3. EXPRESSIONS OF INTEREST (EOI)

This opens on the Eventbrite platform for the release at the time specified in the invitation email (approx. 3-5 days after the invitation email is sent). It is only open for 24 hours and contains a limited number of appointment tickets.

5. SALES APPOINTMENT

An appointment will be made with a sales professional. A letter of Finance Pre-Approval, or a Letter of Eligibility from your Broker will be required. You will be able to select your chosen lot from those still available at your appointment.

2. INVITATION EMAIL

Receive an email or SMS inviting you to participate in the Land Release Expression of Interest (EOI) on the Eventbrite platform. Details of the release including plans and pricing are housed on the platform.

4. SUCCESSFUL REGISTRATION

Participants that are successful in registering their EOI will receive a ticket via email and will then be contacted by a sales professional. You will need to respond to Stockland's contact attempt within 1 hour. Not all tickets guarantee an appointment for the release.

6. PURCHASE A LOT

If you decide to purchase a lot at your appointment, you will be required to pay the specified deposit at the time of signing your land contract to secure the lot.

This document is supplied for the purpose of providing an impression of Stockland's land release process, and is not intended to be used for any other purpose. All details and statements are indicative only, are based on the intention of, and information available to Stockland as at July 2020, and may change due to the particular circumstances of each land release. For more information about the land release process, see the Terms and Conditions for the relevant land release. Terms and Conditions are accessible on the Eventbrite platform for each land release.
