5 top tips

.....

Tip 1

Know your budget

It may be daunting, but it's a crucial consideration when it comes to buying a home. You need to know precisely what you can afford before visiting a display home.

Tip 2

Research your builders

Questions to have in mind when choosing a builder, include: how long they've been in the business; build quality; range; customer service; warranties and guarantees. Trust is vital. After all, your dream home is in their hands.

Tip 3

Are you building for the now, or the future?

Are you considering growing your family? Will you have regular guests? Are you a minimalist, or someone who needs lots of storage?

Tip 4

Think about how you felt when you first walked into the home

Take the time to imagine yourself in the space from even before you walk through the door. You know when something feels right to you. Trust your instincts.

Tip 5

Keep track of the display homes you visit with this handy guide

Take notes and photos as you go, so you know exactly what you're looking at when you review.
